*Successful Hunting Strategies* ,1992 **Field and Stream** ,1925 **A Hundred Years of Texas Waterfowl Hunting** R.K. Sawyer,2024-08-05 The days are gone when seemingly limitless numbers of canvasbacks mallards and Canada geese filled the skies above the Texas coast Gone too are the days when in a single morning hunters often harvested ducks shorebirds and other waterfowl by the hundreds The hundred year period from the mid nineteenth to the mid twentieth century brought momentous changes in attitudes and game laws changes initially prompted by sportsmen who witnessed the disappearance of both the birds and their spectacular habitat These changes forever affected the state s storied hunting culture Yet as R K Sawyer discovered the rich lore and reminiscences of the era s hunters and guides who plied the marshy haunts from Beaumont to Brownsville though fading remain a colorful and essential part of the Texas outdoor heritage

Gleaned from interviews with sportsmen and guides of decades past as well as meticulous research in news archives Sawyer's vivid documentation of Texas deep rooted waterfowl hunting tradition is accompanied by a superb collection of historical and modern photographs By preserving this account of a way of life and a coastal environment that have both mostly vanished A Hundred Years of Texas Waterfowl Hunting also pays tribute to the efforts of all those who fought to ensure that Texas waterfowl legacy would endure This book will aid their efforts in championing the preservation of waterfowl and wetland resources for the benefit of future generations Black's Wing & Clay ,2000 **Fins and Feathers** ,1990
