Le Mandat Multiculturel:

Ukrainian Canadians, Multiculturalism, and Separatism: An Assessment Canadian Institute of Ukrainian Studies, 1978 No description

L'éducation multiculturelle dans la formation des enseignants au Canada Donatille Mujawamariya, 2006 Cet ouvrage collectif présente des perspectives différentes et actuelles sur la préparation l'éducation multiculturelle dans les programmes de formation initiale des maîtres au Canada. La variété des textes réunis dans cet ouvrage tente d'offrir une image plurielle des points de vue sur une problématique qui pose des défis au niveau du système d'éducation avec des implications moyen et long terme sur l'ensemble de la société. Malgré le caractère apparemment eclectique de ce collectif un thème majeur se dégage. Il s'agit de l'articulation entre l'importance perçue de la préparation l'éducation multiculturelle des futurs enseignants et le degré de son implantation dans les programmes de formation initiale des maîtres.

The Ties that Bind John Erik Fossum, 2009 Modern states and novel multinational polities such as the European Union have to contend with greater degrees and more complex forms of diversity. What elements keep complex post-national political entities together? What are the ties that bind people together in a world where they cannot rely on the safety of established national identifications if they ever could? This collection of essays by leading political scientists, philosophers and legal academics from Canada and Europe provides a transatlantic dialogue on the ways in which complex states such as Canada and non-states like the EU may broach the modes of difference and diversity that confront them. Authors engage in insightful diagnoses of contemporary forms and modes of diversity as well as critical appraisals of a number of normative responses meant to answer these challenges. These responses range from reasonable accommodation and multinationalism to cosmopolitanism. They include the recognition of post-national multinational or deterritorialized democracy and constitutional patriotism as well as plural or denationalized citizenship.

France multiculturelle et citoyenneté au XXI^e siècle Henri Georges Minyem, 2022-12-07 La fin de la II^e guerre mondiale la France entama sa reconstruction et fit appel massivement aux populations africaines ce fut la période dite des trente glorieuses. Puis dans les années 1970 cette population se sédentarisa au point de constituer une frange importante de sa composante sociologique. La nouvelle donne multiculturelle de la France a engendré une cohabitation de multiples parfois antagonistes, une superposition d'imaginaires disjoints parfois en opposition avec le récit historique officiel. Comment ces groupes sociaux se perçoivent-ils au quotidien dans une société devenue multiculturelle? Quel équilibre entre communautés juive, arabe, noire en France? Existe-t-il un refoulement colonial subliminal? Quelle politique transgère en Afrique? Cet ouvrage raconte l'histoire de la France avec ses ex-colonies dans leur nouvelle coexistence.

Bilingualism: A Social Approach M. Heller, 2007-05-01 Arguing against a common sense view of bilingualism as the co-existence of two linguistic systems this volume develops a critical perspective which

approaches bilingualism as a wide variety of sets of sociolinguistic practices connected to the construction of social difference and of social inequality under specific historical conditions *The Tongue-Tied Imagination* Tobias Warner, 2019-03-05 Winner 2021 African Literature Association First Book Award Should a writer work in a former colonial language or in a vernacular The language question was one of the great intractable problems that haunted postcolonial literatures in the twentieth century but it has since acquired a reputation as a dead end for narrow nationalism This book returns to the language question from a fresh perspective Instead of asking whether language matters *The Tongue Tied Imagination* explores how the language question itself came to matter Focusing on the case of Senegal Warner investigates the intersection of French and Wolof Drawing on extensive archival research and an under studied corpus of novels poetry and films in both languages as well as educational projects and popular periodicals the book traces the emergence of a politics of language from colonization through independence to the era of neoliberal development Warner reads the francophone works of well known authors such as L opold Senghor Ousmane Semb ne Mariama B and Boubacar Boris Diop alongside the more overlooked Wolof language works with which they are in dialogue Refusing to see the turn to vernacular languages only as a form of nativism *The Tongue Tied Imagination* argues that the language question opens up a fundamental struggle over the nature and limits of literature itself Warner reveals how language debates tend to pull in two directions first they weave vernacular traditions into the normative patterns of world literature but second they create space to imagine how literary culture might be configured otherwise Drawing on these insights Warner brilliantly rethinks the terms of world literature and charts a renewed practice of literary comparison Champ multiculturel, transactions interculturelles Khadiyatou Fall, Laurier Turgeon, 1998 La diff rence comme lieu heuristique pour comprendre la modernit pour comprendre les mutations sociales et culturelles de nos soci t s est l axe de th matisation par lequel les contributions de cet ouvrage trouvent convergence Des clairages pist mologiques conceptuels m thodologiques sont propos s des situations et des pratiques sont analys es pour poser la reconnaissance de la diff rence la connaissance et la gestion de ses modalit s d expression dans diff rentes sph res de l activit des humains comme enjeux essentiels de notre projet moderne de civilisation
