Life Insurance Process Flow Manual:

Life Insurance Handbook Warren Raco, 2021-05-17 Life insurance is a contract between you and an insurance company to provide you with coverage based upon your timely payment of premiums Life insurance provides a death benefit to your named beneficiary usually a spouse upon your death When you pass away your beneficiary files a claim with the insurance company to submit proof a death certificate of your passing If there is an agent who usually works with your family your beneficiary can contact the agent who will help him or her complete the necessary paperwork Or your beneficiary can contact the insurance company directly and a claims representative will instruct him or her on what to do After the insurance company receives all the documents then your beneficiary will be issued the death benefit payout When you buy life insurance you enter a contract with an insurance company that promises to provide your beneficiaries with a certain amount of money upon your death In return you make periodic payments called premiums There are many things to consider when it comes to getting a life insurance policy that can help protect your family s future financial needs In this book the author will take you through every single aspect of life insurance
