Emancipating Andie English Edition:

Emancipating Andie Priscilla Glenn, 2013 Ever since the one time Andie Weber threw caution to the wind and paid the price for it she's learned that it's safer and smarter to live life playing by the rules Now she's got a great apartment a steady job and a wonderful boyfriend in Colin he's sweet stable and essentially perfect except maybe for the fact that his best friend is Chase Chase McGuire lives his carefree unstructured life strictly for himself Dripping sarcasm and oozing wit he refuses to censor his feelings or opinions for anyone making no apologies for either and wearing his abrasiveness like a badge of honor No one has ever gotten under Andie's skin the way Chase does and vice versa So when Andie and Chase find themselves forced to take a two day road trip together they are already dreading an inevitable all out war But as the trip progresses and the undeniable friction that has always defined their relationship slowly begins to wear away their preconceived notions of each other Andie and Chase discover they both have a lot to learn about life courage happiness and the age old battle between logic and love

Beyond Emancipation Sean Gerrity, 2025-06-01 Explores how African American literary representations of maroons in the decade leading up to the Civil War complicate conventional narratives and geographies of slavery and freedom in the United States Beyond Emancipation revisits classic works of nineteenth century American literature especially by Black writers to uncover a hidden history of maroons enslaved people who ran away but remained hidden in the South Sean Gerrity argues that literary depictions of small acts of marronage reveal an expanded sense of what freedom might look like and where and when it might occur While taking care not to romanticize historical realities Gerrity vividly shows how works by Frederick Douglass Harriet Jacobs and Martin Delany gesture toward possibilities for Black freedom making beyond legal emancipation liberalism and the white abolitionist literary tradition passed down from Harriet Beecher Stowe While Beyond Emancipation focuses on texts produced during the brief period between the Fugitive Slave Act of 1850 and the Civil War the book's range of reference and implications are broad unsettling still dominant ideas and engaging pressing questions in literary criticism history geography and Black studies
