

Food Safety Manual

Objectives

The University of Illinois at Chicago (UIC) takes pride in serving safe and great tasting food to its customers, visitors, and friends. Most customers do not notice the attention given to food safety. It is the intention and responsibility of our food service providers to ensure that the foods prepared and served meet the highest standards of food safety.

Authority

To help ensure that the foods prepared and served meet safety standards, there are laws that govern food handling. This manual is designed to cover some of these practices. This means that our food vendors have set procedures on how to perform most tasks in their establishment from receiving of foods, to preparation, to the service provided to customers. Below is list of Illinois codes that food service providers must follow:

- ◆ Food Service Sanitation Code - 77 Illinois Administrative Code Section 750
- ◆ Retail Food Sanitation Code - 77 Illinois Administrative Code 760
- ◆ Food Service Sanitation Codes - 77 Illinois Administrative Code Section 750, Subpart H
- ◆ Sanitary Food Vending and Beverage Code - 77 Illinois Administrative Code Section 743
- ◆ Illinois Food, Drug and Cosmetic Act [410 ILCS 620]
- ◆ Sanitary Food Preparation Act [410 ILCS 650]
- ◆ Sanitary Food Preparation Act [410 ILCS 650/11.1]
- ◆ Food Handling Regulation Enforcement Act [410 ILCS 625]
- ◆ 89 Illinois Administrative Code Section 407, Subpart F through Subpart H

Applicability

This policy applies to all UIC food service establishments, retail food establishments, mobile food units and food vending and beverage machines.

Food Protection Manual Chinese
