

Probability Bingo

(From Brian Mehmed, 2011 WV APST)

Each of two die has *colored* faces, 3 green, 2 blue and 1 red. The two dice will be rolled. The outcome will be considered to be one "bingo call." If you have this outcome on your bingo card, mark it off. The winner will be the student who gets a bingo card completely marked off (all 25 squares). Mark each square on your bingo card (use BG for "blue green," BB for "blue blue," etc.) so that you have the best chance

PROBABILITY BINGO

Hunger Games Probability Activities
