FINAL LIBERATION

Frank, the moment I heard that you had clashed with the Lansing Liberation Army, I rushed to your aid as fast as I could. I'm pretty sure you've already met some foolish individuals who worship these so-called freedom fighters and that to convince you not to kill them, I know that I have a history with them, and I can guarantee you that these terrorists only understand violence.

I let me give you some advice. Kill their leader, that damned old dog, and Sevareng and the rest of the thugs will give themselves and fall in fear. He wouldn't leave a place like The Hive to someone else, he'd be there in person. And don't worry, I won't charge you for my help, in fact, I'll reward you if you decide to give the bestest what I've invented.

Eliminating the LA leader would be a great favor not only to me but also to all of Lansing.
