

Native American Diorama Project

DUE: Monday, November 3, 2014

For the past few weeks in Social Studies, we have been studying various Native American Regions.

In order for your child to show what they have learned, students will complete a diorama project on their choice of one of the Native American Regions we have studied. Students will also share their diorama with our class, explaining the most important features of their region.

Choose one of the following locations:

The Eastern Woodlands Indians

The Northwest Coast Indians

The Arctic Indians

The Plains Indians

The Desert Southwest Indians

Instructions for diorama:

Using a shoe box, the diorama should show examples of the chosen tribe's lifestyle including:

Type of home, food, clothing, environment (including natural resources, animals, crops, etc.)

Instructions for the oral report:

Students will present their diorama and explain the ways in which they represented their Native American Region's home, food, clothing and environment. Students can use index cards to guide their presentation.
