Mr. Hunter Shaw

543 Peaceful Pines, Suite 66

Serenity Springs, OH 01234

Dear Mr. Shaw,

As the Principal of Oakridge Elementary, I would like to inform you about a significant development in our school. We have decided to integrate an advanced curriculum into our teaching methodology, emphasizing Science, Technology, Engineering, and Mathematics (STEM). This curriculum aims to equip students with essential skills to succeed in this rapidly evolving digital world.

We believe that providing STEM education during the early years of school will stimulate curiosity and creativity among our students and enable them to keep pace with technological advancements. Given this, I humbly request your support in making this transition smooth for our students and educators.
