**how to print**

I recommend printing each skill assessment on its own page. To do this, open your printing option and select "per sheet" if it offers words, select "Page or Folio Size" this will print out full page size.

To print multiple copies of the same assessment for a class, you can use the "print" button in the top right corner of the assessment page. This will print out all pages and you can select how many copies you want to print.
