

Student Council

Our Student Council will be a group of students who will come up with ideas to make our school even better. The students at our school will vote to elect Council Members who they think will represent them best.

Who is on the Council?

The Student Council will be made up of a President, Vice President, Secretary, and Treasurer. All council members must be 4th or 5th graders. Ms. Emaly is the student council advisor.

Why is this good for students?

All students will learn about democracy and participate in an entire election process, from registration to casting a ballot. Elected student leaders gain responsibility, experience working as a team, increased pride in their school, and a chance to interact with their fellow students in making decisions. This is a great chance to become excellent citizens.

What does the Student Council do?

The Student Council chooses its own goals after discussing ideas with the students they represent. The Student Council might create publicity about school events, promote school pride, start fundraising programs or other school events and activities.

What does the Council President do?

He or she runs the Student Council meetings and represents the council. He or she may also take on other important school duties, such as leading assemblies and greeting guests when they come to our school.

What does the Vice President do?

He or she fills in when the President is absent. The Vice President also participates in the council meetings and may assist the President.

What does the Secretary do?

He or she writes down what goes on at the meetings (taking minutes), reports at each meeting what happened at the previous one, and keeps track of attendance.
