

Section 1

The five squares on the left-hand side of the page have been arranged in a certain order, and one of the squares has been left blank. Select the square from the right-hand side of each row that goes in the blank square to complete the sequence, and mark the letter on the answer sheet. Now look at these examples:

Example 1

Answer: A. From left to right in the sequence, the number of plain shapes increases by one and the number of stars decreases by one.

Example 2

Answer: C. From left to right in the sequence, the number of diamonds increases by one and the number of dots inside the triangle decreases by one.
