Elisha Goodman Prayer Points For Relationships:

Prayer Cookbook for Busy People (Book 2) Elisha Goodman, 2009-11-30 There are prayers that can help rekindle the interest of your spouse in your marriage even if he or she hasn't looked at you in years. In some cases these prayers can help turn any troubled relationship to a terrific relationship in as short a time as 21 days. **Desire Life Now** Vera Bonse, 2020-08-27 *Desire Life Now* depicts my life struggles, my mistakes, my weaknesses, disappointments, betrayals, rejections, and dealings with family foundations, my triumphant journey in the discovery of myself, my purpose, and destiny in the midst of all the chaos. My overcoming to become the person I am today came with me finding God who is reflected and manifested in my image as I am his child. [Powerful Prayer Guide For Couples](#) Dong Lizardi, 2021-04-21 All too often couples believe that they are praying together only if they are praying out loud. Remember that the key is to intentionally pray together. When we are talking about this with couples groups, we suggest that they begin by praying silently. When you pray together with your Spouse, it strengthens your bonds and makes it too difficult for satanic and human Enemies to break. When you engage God as a couple's via daily or weekly prayers, things get more easily achieved. The power of God generated at your prayer altar makes this possible. The couple that prays together hardly have unsettled disagreements in their Marriage. Individual Prayers work, but a couple's prayer works generate faster and sure answers. If two of you shall agree upon touching anything here on it shall be established. If you actually need speedy and continuous answers to your prayers, pray with your spouse almost once a week. In this book, you will find 52 sections of prayers with prayer points to help you pray effectively as a couple and enjoy results Spiritually, materially, etc. **I Am Love** Marsha Wiggins, Are you and your partner struggling to make your relationship work? You know that you love each other, but for some reason you just can't seem to get it together. Or maybe you're stuck in a cycle of attracting the wrong people into your life. Imagine how much happier you would be if you didn't get caught up in senseless arguments or worry that your mate was unhappy. What if you could get healed of your past emotional wounds so you could attract the right person in your life and have a healthy, fulfilling partnership? Your relationship doesn't have to stay in its current condition. Get a blueprint to love and create real change in your life for less than a latte. Understand what real love looks like and learn to implement it in your relationships. Stop sabotaging your relationships because of past hurts. Allow yourself to receive the love that is already here for you. Repair damaged relationships and build a healthier connection with your partner. Reprogram yourself to live a happier, more fulfilling life. *Couples Praying* Gene & Judith O'Brien, **Powerful Prayer Guide For Couples** Elouise Kindberg, 2021-04-20 All too often couples believe that they are praying together only if they are praying out loud. money in your bank account enough to make you a winning couple Every winning couple knows that if their marriage will not only survive but thrive in fulfilling God's purpose they will not just sit idly and watch while things go by the dictates of the devil as we see in many homes across the globe We must never forget that only a fortified couple can survive the attacks the devil and his cohorts vehemently put out against marriages It is only by the power of God in the place of meaningful prayer that we can pull down every stronghold that aims to cause us pain in our marriages Therefore no matter how many people are committed to praying for your family you must realize that the creation of the atmosphere in your home is entirely your responsibility as a couple

Winning Couples Prayer is a passionate prayer devotional for couples that emphasizes the importance and power of prayer in the journey of marriage It highlights twenty nine intentional prayer points that husbands can pray for their wives and another twenty nine prayer directions wives can pray for their husbands Instead of arguing fighting and struggling with each other the authors encourage that couples should constantly engage in prayer and this book shows you exactly how to go about it
