*Elmer and Me* Kenneth L. Miller, 2011-02-21 This book offers a humorous look at the interactions between a professional scientist and his Pennsylvania Dutch farming neighbor as they get involved in various projects around the farm and on hunting and fishing trips where one is an accomplished fly fisher and hunter and the other is not terribly adept at either sport. The stories are full of down home charm that includes a peek at farm living. The stories should appeal to any audience.
