

**Essay 1 – English 102
Mrs. Matayabas
Fall 2012**

Censorship: What it means to me and all of America

First read and respond to the article “What is Censorship” by the GILC posted under “Handouts” on the class website. In a full 2 page essay, respond to the article and relay experiences that have helped you form your attitudes toward censorship. Perhaps you haven’t thought about censorship before? It’s time to think about it now and you should spend some time talking to respected peers, friends, and family members about censorship. Through those discussions, and further research if needed, begin forming your own opinion.

You may find it helpful to recall a time you decided to “self-censor” or a time you decided to exercise your right as a citizen to “freedom of speech” and chose to share your opinions. Often, our decisions to censor ourselves or share our opinions begin a chain of events that cause us to appreciate our freedom of speech or contemplate censorship.

Be thoughtful of your audience in your organization and thorough description by using examples and narratives. Remember to come to some conclusion as to why your view of censorship is significant to others and the concept of free speech.

Remember, the first essay is always an opportunity to “show off” your writing skills for your college English Instructor. Allow yourself to be creative!

Follow all essay format instructions and review the grading rubric (both are included in your ENG 102 course description) to gain a better understanding of how this essay will be graded.
Good Luck!
