

Chapter 1

Answer the following questions:

- Do you think that Pip's being an orphan affected his life? Why? Give your answer in three sentences at most.
 - Yes, he led a miserable life. He had no one to look after him but his sister who treated him badly.
- If you were in Pip's place, would you bring the file and food to the stranger? Why?
 - Yes, because I would be afraid of the stranger.
 - No, I would tell my sister and Joe what happened at the marches and ask for their help.
- Do you think that Pip's older sister led a happy life with her husband? Why?
 - No, because she thought it was bad enough being a blacksmith's wife
- What do you think would have happened if Pip had told his sister about his behaviour with the convict?
 - She would have punished him for stealing the food and the file.
- "Suddenly, we heard angry shouts nearby. I was afraid of what was about to happen." What do you think was about to happen?
 - Everyone would know that Pip had helped the convict.
- Should Pip have told the soldiers about the convict? Why?
 - Yes, because he was a criminal. He should be punished for escaping from prison.
 - No, he shouldn't, because he felt that it was his duty not to tell anyone where he was.

Chapter 2

Answer the following questions:

- What do you think might have happened if Joe had gone to school?
 - He wouldn't have worked as a blacksmith.
 - He might have become a gentleman.
 - He wouldn't have married Pip's sister.
- If you were in Pip's place, would you make friends with Joe? Why?
 - Yes, because he treats me well and I trust him.
- "Then she jumped on me like an eagle on a lamb," said Pip. What did these words reflect about the relationship between Pip and his sister?
 - She doesn't treat her brother well. She had never wished to look after him. Pip probably doesn't like her.
- The house looked unused and most of the doors were closed. Everything was dark inside. Do you think this atmosphere reflected the circumstances Mrs Havisham had lived in? Why?
 - Yes, as she herself was depressed and never wanted to deal with others after her fiancé had left her on her wedding day.
- "As I stood before her, I noticed that the clock had stopped at nine." What do you think the stoppage of the clock indicates?
 - It indicates the stoppage of her life itself as she was shocked to discover that her fiancé had left her on her wedding day.
- Do you think Mrs Havisham was right to let Estella break Pip's heart? Why?
