

Week 1

Diagnostics / Review

Part 1: Diagnostics

- Take the free diagnostics for all subjects
 - Math
 - Grammar
 - Vocabulary
 - Biology
 - Reading
 - Anatomy & Physiology (AAP)

Review your results

For topics where you scored well, check those the answers and try some additional practice to strengthen your skills before sitting on test day.

For topics where you scored lower, find your weaknesses in these sections and study them more. For all of the material covered in review throughout the month leading up to your exam.

For the other week to fill your study schedule, you should review your diagnostic results. If you score 80% or above on a topic, it is more likely you know the material well. You can now fill that part of your study plan with other topics or review the material you scored lower on.

You can also take topics which you scored lower on the diagnostic to study extra. You can study up on that you have weaknesses in, review them!
