Following discharge teaching, a male client with duodenal ulcer tells the nurse the he will drink plenty of dairy products, such as milk, to help coat and protect his ulcer. What is the best follow-up action by the nurse?

- A. Review with the client the need to avoid foods that are rich in milk and cream
2. A male client with hypertension, who received new antihypertensive prescriptions at his last visit returns to the clinic two weeks later to evaluate his blood pressure (BP). His BP is 158/106 and he admits that he has not been taking the prescribed medication because the drugs make him "feel bad". In explaining the need for hypertension control, the nurse should stress that an elevated BP places the client at risk for which pathophysiological condition?

 - A. Stroke secondary to hemorrhage
3. The nurse observes an unlicensed assistive personnel (UAP) positioning a newly admitted client who has a seizure disorder. The client is supine and the UAP is placing soft pillows along the side rails. What action should the nurse implement?

 - A. Instruct the UAP to obtain soft blankets to secure to the side rails instead of pillows.
4. An adolescent with major depressive disorder has been taking duloxetine (Cymbalta) for the past 12 days. Which assessment finding requires immediate follow-up?

 - A. Describes life without purpose
5. A 60-year-old female client with a positive family history of ovarian cancer has developed an abdominal mass and is being evaluated for possible ovarian cancer. Her Papanicolaou (Pap) smear results are negative. What information should the nurse include in the client's teaching plan?

 - A. Further evaluation involving surgery may be needed
6. A client who recently underwent a tracheostomy is being prepared for discharge to home. Which instructions is most important for the nurse to include in the discharge plan?

 - A. Teach tracheal suctioning techniques
7. In assessing an adult client with a partial rebreather mask, the nurse notes that the oxygen reservoir bag does not deflate completely during inspiration and the client's respiratory rate is 14 breaths / minute. What action should the nurse implement?

 - A. Document the assessment data
 - B. Rational: reservoir bag should not deflate completely during inspiration and the client's respiratory rate is within normal limits.
8. During shift report, the central electrocardiogram (ECG) monitoring system alarms.

Admission Assessment Exam](#) Hesi A Exam Secrets Test Mometrix,2018-04-12 HESI A2 Practice Questions are the simplest way to prepare for the HESI A2 Practice is an essential part of preparing for a test and improving a test taker s chance of success The best way to practice taking a test is by going through lots of practice test questions If someone has never taken a practice test then they are unprepared for the types of questions and answer choices that they will encounter on the official test There is a tremendous advantage to someone taking the test that is already familiar with the questions and answer choices Another advantage of taking practice tests is that you can assess your performance and see if you need to study and practice more or if you re already prepared enough to achieve success on your test day If you do well on the practice test then you know you re prepared If you struggle on the practice test then you know you may still have more work to do to get prepared Taking lots of practice tests helps ensure that you are not surprised or disappointed on your test day Our HESI A2 Practice Questions give you the opportunity to test your knowledge on a set of questions You can know everything that is going to be covered on the test and it will not do you any good on test day if you have not had a chance to practice Repetition is a key to success and using practice test questions allows you to reinforce your strengths and improve your weaknesses Detailed answer explanations are also included for each question It may sound obvious but you have to know which questions you missed and more importantly why you missed them to be able to avoid making the same mistakes again when you take the real test That s why our HESI A2 Practice Questions include answer keys with detailed answer explanations These in depth answer explanations will allow you to better understand any questions that were difficult for you or that you needed more help to understand **The 14 Day HESI A2 Prep** U. G. O. Prep HESI,2019-06-25 It s no secret that the HESI A2 exam is difficult In fact most people take the exam not once not twice but several times before they get a good score There are nightmare stories about the struggles people have endured while preparing for this exam Some people have even put their lives on hold for years as they attempted this exam over and over again The problem is not that these students are unprepared the problem is that the HESI A2 exam is extremely difficult The HESI A2 exam is a standardized test that covers a wide array of subjects including reading comprehension vocabulary

grammar biology chemistry math anatomy and physiology In order to prepare for this exam students would have to read and memorize over 5 000 pages of information And here s the worst part 95% of that information is not relevant in the nursing field Unfortunately we don t have the ability to change the HESI A2 exam to be more practical but we do have the ability to help make your journey preparing for the exam easier Keep reading below to find out how Here at UGO Prep we specialize in studying exam behaviors to a science We ve spent years evaluating the methods of the HESI A2 exam in order to create our study program The HESI A2 exam is a standardized test Which means that all test takers will answer the same questions or a selection of questions from a common bank of questions in the same way Our goal when we first started this journey was to create a test bank that closely resembled that of the official HESI A2 exam Using experts in the field and our in house algorithm we began searching for common characteristics amongst past and present HESI A2 exams After countless months of research we had accumulated a wealth of knowledge regarding each section of the HESI A2 exam We then took our findings and began formulating strategies on how to unlock high scores for each section Finally we created the official UGO Prep HESI A2 Exam Prep otherwise known as the most straight forward HESI A2 prep on the market When we first released our Exam Prep to the public we noticed a big improvement in the confidence level of people who used our material to prepare for their exam We also noticed an increase in the scores of people who used our program when compared to people who used other programs Most companies would stop there BUT WE DIDN T We started on the long process of pouring over data to find out where our study program fell short and where we can improve We refined our study program to target those weak areas that most people struggle with every year on the exam Shortly after we tested our program from beginning to end using people who wanted to achieve a high score on their HESI A2 exam Men and women Both young and old Time and time again people who used our test prep prepared faster and scored higher Our 1 priority here at UGO Prep is to help you quickly and easily unlock a high score on your HESI A2 exam You shouldn t have to get serious or change your priorities in life just so you can do well on this exam Why study harder when you can study smarter
