Highland Treasure English Edition:

The Highlands of Ethiopia William Cornwallis Sir Harris, 2021-04-25 In *The Highlands of Ethiopia* William Cornwallis Sir Harris presents a profound exploration of the Ethiopian highlands merging personal adventure with meticulous ethnographic observation. Written during the Victorian era, the book reflects Harris's keen interest in natural history and indigenous cultures, employing a narrative style that seamlessly blends detailed descriptions of the landscape with vivid accounts of the diverse peoples inhabiting it. His observations are not only literary but serve as a historical record of a region often viewed through a colonial lens, advancing our understanding of Ethiopia's rich cultural tapestry and its ecological significance during a time of European exploration and expansion. William Cornwallis Sir Harris, an English explorer and naturalist, traveled extensively throughout Africa. His background in the military and his role in colonial administration provided him with unique insights into the social dynamics and complexities of the regions he studied. These experiences undoubtedly informed his perspectives in *The Highlands of Ethiopia* as he sought to convey not just the beauty of the landscape but also the intricacies of the Ethiopian peoples' lives and traditions presented through an often unfiltered lens of admiration and respect. *The Highlands of Ethiopia* is a critical read for anyone interested in the intersections of geography, culture, and exploration. Rich in detail and authentic in its portrayal of Ethiopian life, it offers modern readers a window into a past that shapes the present. Enthusiasts of travel literature, anthropology, and African studies will find Harris's work an invaluable addition to their libraries, revealing the depth and nuance of a region that continues to captivate scholars and adventurers alike. In this enriched edition, we have carefully created added value for your reading experience. Hand-picked Memorable Quotes shine a spotlight on moments of literary brilliance. Interactive footnotes clarify unusual references, historical allusions, and archaic phrases for an effortless, more informed read.

Highland Treasure Lynsay Sands, 2021-01-26 A Buchanan brother finds a love to treasure in this scintillating historical romance from New York Times bestselling author Lynsay Sands. After escaping from the English soldiers who attacked her home and imprisoned her in a dungeon, Lady Elysande de Valance is grateful for the rugged Scots who are escorting her to safety in the Highlands. Even with danger dogging their every step, she hadn't expected to welcome the strong, comforting embrace of their leader, Rory Buchanan. They say he's a healer, but she finds the heat of his touch does so much more. Let his brothers get married; Rory is too busy tending to the sick to be bothered with wooing a bride. But when he is tasked with accompanying a family friend's treasure to the Highlands, he is surprised to learn the treasure is a beautiful woman on the run and even more surprised to discover bruises hidden by her veil. Rory makes it his mission to tend to her injuries and protect her, but the thought of losing her makes him realize that perhaps it is his heart that is most in need of healing.
