Keep Calm For Mums English Edition:

Two-Minute Timeouts for New Moms Andrea Fortenberry, 2026-04-07 So you're a new mom. Becoming a mother is exciting but it's also a time filled with endless questions and concerns. Will I ever sleep again? What if I don't know what I'm doing? Do other moms feel as overwhelmed as I do? You are not alone. This 100-day devotional speaks directly to your emotional and spiritual needs in those short nuggets of time snuck between diapers, mealtimes, and meltdowns, whether yours or your little one's. Find honesty about the joys and struggles of motherhood through Andrea Fortenberry's tender storytelling and practical guidance. These heartfelt and sometimes humorous readings are packed with the encouragement you need in this new season of life, ultimately helping you lean into God for wisdom and strength. Whether you're a biological mom, an adoptive mom, or a foster mom, *Two Minute Timeouts for New Moms* will reassure your heart and mind and point you to Jesus.

Life Is Rosi: Grandma, Me and Our Diaries at 23 Jess Robinson, 2026-01-29 This is a unique juxtaposition of the shatteringly honest diaries of two Jewish girls fighting to survive. Grandma Rosi in the Holocaust and two generations later, Jess in today's grubby showbiz world. It appalled, uplifted, and delighted me. I wish I'd written it. MIRIAM MARGOLYES

Over the Hill and Up the Wall Todd Alexander, 2023-03-01 A heart-warming journey with parents of a certain age and a son who thinks he knows best. A bit like David Sedaris without the tragedy, this is a book that will bring a smile of recognition to anyone with ageing elders, and hopefully to the elders themselves. Fiona Capp, Sydney Morning Herald. Warm, witty, honest. With a healthy serving of humour, Todd Alexander has written a marvellous, touching, and insightful book. You'll laugh, cry, and hope your own kids love you this much. I'll be more patient with my parents after reading this. Better Reading. Warm, witty, and insightful. Alexander has exquisitely depicted the experience of dealing with ageing parents. The Australian. Funny, irreverent, and very true to life. Blue Wolf Reviews. Of course we love our parents. Even if they do so many things that drive us bonkers. Like how a mother, for argument's sake, lets say mine, taps her fingernails on the car window whenever she sees a place of interest, seven taps for a regular haunt, up to twenty for somewhere fascinating. Or the way a father, let's call him Dad, practises deafness but can miraculously hear a suggestion of no ham at Christmas over the roar of cricket commentary. It might be the way your mum works herself into a tizz over a call from Azerbaijan one week and Nigeria the next. Or how your dad has an answer to everything despite his information being forty years out of date and a guy for all fixes if only he could find his Rolodex. When do we stop being our parents' child and become their parent? After all, they did pretty well on their own for decades, why do they need our intervention now? And that tendency for them to drive us up the wall, could it be because we are entering middle age and starting to recognise some of those traits in ourselves? *Over the Hill and Up the Wall* is an affectionate, funny look at the frictions of taking a more active role in our elders' lives. It's a nod to every child who has waited three hours for a parent to fasten their seatbelt, and every parent whose child assumes they can't count to twenty. And if your parents are just hitting middle age, it may well be a warning of things to come. Joy on Demand Chade-Meng
