India Today, 2004 PRODUCT MANAGEMENT IN INDIA, THIRD EDITION MAJUMDAR, RAMANUJ, 2007-12-19 This completely revised and updated text now in its Third Edition continues to explain the underlying concepts of product management In the process the book equips the budding as well as the practising managers with sufficient knowledge about how to deal with different problems faced in managing any typical fast moving consumer good or durable product Divided into three parts the book provides in Part I a macro perspective of the Indian market Part II offers an analytical discussion interspersed with vivid illustrations on conceptual issues like branding segmentation positioning and differentiation Part III features several new products it also provides latest information on the products presented in the earlier edition In addition it analyzes the current market situation prevailing for a particular product in India Finally here each chapter shows how leading companies are successfully marketing the particular product in the Indian market **WHAT IS NEW IN THIS EDITION** The new edition incorporates the challenges offered by many new trends like growth of modern trade explosion of the media and the increasing influence of rural market in India Chapters on The Indian Market Emerging Panorama and New Marketing Challenges expose the students to contemporary concepts and examples Part III offers new chapters on market analysis on products such as Tea Soft Drinks Chocolates Malted Beverages Packaged Drinking Water Tooth Paste Detergents Fairness Cream Footwear Mobile Phones and Digital Camera Besides it gives up to date background information for other products covered in the earlier edition The Student CD contains a set of PowerPoint Presentations PPTs of 20 products This well established study has been widely adopted as a textbook in MBA programmes across the country The Third Edition is more profusely illustrated with exhibits diagrams and PPTs and should be of immense utility and worth to the students of management as well as practising brand managers and executives in the advertising arena **The Long March to Capitalism** A. D'Costa, 2005-06-14 The author captures the evolution of Indian industrial capitalism by extending the models of capitalism and regulation framework Using principally the auto industry and anchoring the analysis to the expansion of markets he demonstrates that the Indian state and businesses have been important institutions for creating markets He acknowledges significant market growth but also underscores several contradictions arising from such capitalist development There is a wealth of data which scholars policymakers and businesses will find very useful **Tighten The Screws** Vikas Kakwani, 2020-02-25 Both of them are such wonderful individuals I really do not understand why they are getting divorced We have 1.3 billion people but we don't even have a decent football team to qualify for the FIFA World Cup She is so intelligent well qualified and hardworking but why is she not getting promoted There was so much hue and cry after the Nirbhaya case followed by tough anti rape laws and strictures but I don't think there has been any impact Why is it that well thought out plans of capable individuals institutions and organisations fail to take off Why is it that well intended ideas with clear benefits find no takers Why do we find it challenging to follow laws knowing well the dire consequences of not

doing so 80% of the problems in electrical circuits are due to loose connections All you need to do is to Tighten the Screws Is it possible that most challenging personal and global issues can also be solved by a bit of tightening of the screws Maybe Maybe not No harm in trying though Eh *Riding the Tiger* Wilfried Aulbur,Amit Kapoor,2016-11-18 How can one survive in a market which is volatile and uncertain What strategies have worked and not worked in the past What does it take to be successful in India What are the successful strategies applied by the likes of HUL Godrej Adani Ports and redBus So what does it take to Ride the Tiger Sound flexible strategy operational excellence and dedication to customer centric innovation But what does that really mean How have successful Indian companies managed challenges in an extremely price sensitive market In this book Wilfried Aulbur and Amit Kapoor look at successful and sometimes not so successful strategies operations and innovations in India They have distilled lessons from their decades of practical work experience in the country From large family conglomerates like Tata and Godrej to newer additions like Adani from MNCs like Maruti Suzuki to start ups in Bangalore and Gurgaon the book explores key learnings from all four kinds of companies in an Indian context and provides useful insights into how business is done in India **The Pearson Current Events Digest 2010** Edgar Thorpe, Showick Thorpe,2010 **CONSUMER BEHAVIOUR** MAJUMDAR, RAMANUJ,2010 Consumer Behaviour has always fascinated marketers all over the world Rightly so because it offers interesting insights into the working of the human mind in making purchasing decisions For instance why do consumers repeatedly purchase a particular brand or in some cases why do they switch from one product to another In this compact concise and profusely illustrated text Professor Majumdar with his rich and varied experience in Marketing tries to provide interesting insights into some of these and other interesting questions about consumer behaviour He gives a masterly analysis of the theory and practice of consumer behaviour and decision making and the factors that influence it Divided into six parts Part I of the text shows the importance of understanding consumer behaviour Part II highlights different aspects of consumer psychology and covers such topics as consumer motivation consumer perception and consumer personality Part III demonstrates how consumers behave in their social and cultural settings the effect of personal factors and the influence of reference groups on consumer behaviour Part IV dealing with consumer decision making describes the various stages involved in brand choice the post purchase behaviour and importantly the six well established models proposed by scholars on consumer behaviour Part V analyzes the diversity of the Indian market and about the emerging patterns of consumer behaviour The concluding part Part VI gives seven live case studies that dwell on brand building and showcases some successful brands marketed in India Key Features The book is a harmonious blend of theory and practice Each chapter contains numerous examples of marketing practices in India Demonstrates the diversity of the Indian market Power point presentations PPTs are available in the Learning Centre Click https://www.phindia.com/consumer_behaviour_majumdar For the wide spectrum of readers the students of management the marketers and the practising managers reading this book should be a very valuable and rewarding experience They would

treasure the book for its incisive insights on the Indian market and the wealth of illustrative examples and concepts it offers
