The 6th edition of Bluman *Elementary Statistics A Brief Version* provides a significant leap forward in terms of online course management with McGraw Hill's homework platform Connect Statistics. Hosted by ALEKS, statistic instructors served as digital contributors to choose the problems that will be available, authoring each algorithm and providing stepped-out solutions that go into great detail and are focused on areas where students commonly make mistakes. From there, the ALEKS Corporation reviewed each algorithm to ensure accuracy. The result is an online homework platform that provides superior content and feedback, allowing students to effectively learn the material being taught.
