Power and Just Transitions John Gaventa,Gabe Schwartzman,2026-01-06 Published in 1982 John Gaventa s award winning Power and Powerlessness examined the dominance of the absentee coal industry in Central Appalachia Gaventa and Gabe Schwartzman update the story through coal s decline and into the present while focusing on how power relations and community mobilizing have changed and evolved during this era of transition Their analysis tracks the impact on a place where a fossil fuel based economy shaped political and social structures for over a century As they show new forms of power emerged while old ones remained and both affected the popular struggle for a future that s both just and more inclusive Original and timely Power and Just Transitions merges historical perspective with interviews and engagement to look at how coal s decline impacted power and resistance in an Appalachian community
