Leading authorities explain each of the English language arts ELA standards and vividly show how to implement them. The book is filled with grade-specific classroom vignettes, instructional strategies, and activities, sample lesson plans, and discussion questions. Chapters cover the major ELA strands: reading, literature, informational texts, and foundational skills; writing; speaking and listening; and language. Issues of assessment and technology integration are also explored. An appendix includes thematic units for each grade level demonstrating ways to embed CCSS ELA standards into content area instruction. Each of the chapters addresses one of the major English Language Arts domains: literature, informational texts, foundational skills, writing, speaking and listening, language, technology, and assessment. The objective of the chapters is twofold: to provide a theoretical background and detailed explanation of each of the CCSS ELA standards as well as practical suggestions, classroom vignettes, models, instructional resources, and unit ideas to implement the standards.
