Gregory S Little Green Problem:

Epistemology as Theology James K. Beilby, 2005 Locating Plantinga's most recent work in the context of his theological assumptions his previous work on religious epistemology and the current debate over how knowledge should be characterized Beilby's book offers a unique perspective on Plantinga's religious epistemology *Fight to the Finish* Jeanette Murray, 2016-03-01 The author of *Against the Ropes* takes her First to Fight series another round with a novel of a JAG officer who loses his cool when love delivers a knockout punch Kara is a single mom working hard to keep life running smoothly for herself and her son but a custody battle is wearing her down When her friend suggests asking a JAG officer for some unofficial advice Kara agrees and soon finds herself officially head over heels As a Judge Advocate Graham has seen his share of nasty custody disputes and he plans on keeping his distance from this one But this purposeful passionate woman has a way of drawing him ever closer to the edge And when Kara's ex starts to throw his weight around Graham will have to choose between toeing the line or stepping into the ring [Conventional Military Strategy in the Third Nuclear Age](#) Joy Mitra, 2023-02-28 This volume delves into the way conventional deterrence operates between nuclear armed states in the third nuclear age Unlike the first and second ages the advent of this new age has witnessed greater strain on the principles of mutual vulnerability and survivability that may result in increased risks of advertent or inadvertent escalation and horizontal nuclear proliferation The book looks at the sum of three key simultaneous developments in the third nuclear age that merit attention These include the emergence of asymmetric strategies the introduction of unmanned platforms and the expansion of nuclear arsenals The volume discusses how these concurrent developments might shape the practice of conventional deterrence and provides useful insights into conventional military dynamics not just among the current nuclear dyads but also ones that may emerge in future It seeks answers to several key issues in state security not limited to What purpose and scope does the conventional military instrument have in a state's overall military strategy versus other nuclear armed states If mutual vulnerability and deterrence are the frameworks why did the prospect of escalation appear in the first place What are the trends political doctrinal or technological that augment or diminish conventional and nuclear interface With insights on military crises that have witnessed participation from nuclear armed states like the United States Russia China Pakistan and India this book will especially be of interest to scholars and researchers working in the areas of security and deterrence studies defence and strategic studies peace and conflict studies and foreign policy It will also appeal to policymakers career bureaucrats security and defense practitioners and professionals working with think tanks and embassies **Hog and Hominy** Frederick Douglass Opie, 2010-06-04 An examination of the culinary origins of African American soul food finds the unique cuisine rooted in the American South is a mix of European Asian African and Amerindian food cultures *The Hotel Monthly* John Willy, 1929 [Class List of the Books in the Reference Library](#) Nottingham (England).
