The Stew Leonard's You Can Do It! Cookbook Stew Leonard, 1998 [Good Housekeeping Cook Book](#) Good Housekeeping Institute (New York, N.Y.), 1933 We have given much attention to the simple methods of cooking on which all cookery is founded from the making of a good cup of coffee to the perfect poaching of an egg the serving of a mealy baked potato and other full flavored vegetables However knowing the desire of every housekeeper for something new something different we have not limited our pages to these simple everyday dishes We have included many specials from our favorite recipes tested tasted and approved in our own kitchens at Good Housekeeping Institute dishes that epicures will applaud

Some of these are famous dishes from other countries Some were sent to us by our own readers We pass them all on to you as a friendly exchange from one home and one country to another Luck is only tolerated in the kitchen when guesswork is tolerated in cookery You can banish Lady Luck in using this book for we have banished guesswork from these pages In all our recipes and directions we have used the standard half pint measuring cup the teaspoon and tablespoon and all measures are level We have given cooking time and also cooking temperatures when necessary and we have made all our directions and methods as explicit as possible Beginners in cookery need not have any discouraging failures They can be good cooks without being born cooks Those who are cooking for just two or three are often at a loss as to how to divide larger recipes and how much and what to buy to avoid left overs Practically all our recipes in this book serve six unless otherwise specified but we give directions in each recipe for changing them to serve two or three and we also give a list of quantities to buy for the small family as well as quantities to buy for a family of six This is a cook book not a book of meals We feel that menus and the problems of planning and preparing meals deserve an entire book not merely part of a cook book
