High School Reunion:

A Room Full of Mirrors Keiko Ikeda, 1998 Drawing on candid personal narratives derived from reunions ranging from the fifth to the fiftieth this pathbreaking book demonstrates that for many Americans the high school reunion is a rich poignant experience and a dramatic moment in the construction of self and meaning in adulthood **Evergreen Park Community High School, 25th Class Reunion** Evergreen Park Community High School (Evergreen Park, Ill.). Class Reunion Committee, 1989 *After Pomp and Circumstance* Vered Vinitzky-Seroussi, 1998-06-08 Menacing nerve racking uncomfortably intrusive the high school reunion has become a dreaded encounter with past and present for many Americans It is a moment of both heightened self awareness and public presentation insisting that we account for ourselves not merely to our own satisfaction but to the satisfaction of others as well For sociologist Vinitzky Seroussi the high school reunion presents an ideal forum in which to explore the ongoing construction of identity in American society and perhaps to ascertain just how we have managed to make sense of our lives from then to now As autobiographical occasions reunions prompt us to examine our own life narratives the stories we tell ourselves about who we are and how we have come to be that person But at the same time they can threaten the integrity of those very stories subjecting them to the scrutiny of others whose memories of the past and ourselves may be altogether different from our own Reunions then engender a fragile community held together by the resources of a shared past yet imperiled by the tensions of competing histories Inevitably for both those who attend and those who choose not to the reunion forces a kind of biographical confrontation an unavoidable and often pivotal engagement between a carefully constructed personal identity and the socially prevalent standards of success and accomplishment Though many see in today s culture the gradual demise of personal identity Vinitzky Seroussi s carefully researched study reveals something quite different After Pomp and Circumstance explores a struggle we all experience the desire to resolve the tension between public conceptions and internal understandings to maintain a sense of continuity between past and present lives and to lay claim to both an integrated self and a unified life history Dear, Our Ninth Annual Warren Easton High School Class Reunion, which was Held on Tuesday, June 10, 1958 ... Warren Easton High School (New Orleans, La.), Leonard Victor Huber, 1958 **Our Class Reunion Barker**, 1912 **Pretty Is as Pretty Does** Debby Mayne, 2013-06-01 Priscilla Slater goes to her ten year high school reunion with equal parts dread and eager anticipation Even though she s a successful owner of a chain of hair salons and no longer has the mousy brown hair crooked teeth and discount store wardrobe she still feels like the ugly duckling But when she arrives at the reunion Priscilla soon realizes that her old classmates aren t exactly as she remembers them With humor and a just a touch of sassiness Priscilla finds herself facing her own truth and she may be surprised at what she discovers High School Reunion Guest Book Class Reunion Books, 2019-03-07 Royal Blue and Yellow Gold High School and College Reunion Parties or Class Events 4 Guest names per page 110 pages with room for thoughts memories and address line with personal information space 4 lined pages in the back
