Masque Of Shadow A Dark Fairy Tale:

Masque of Shadow T. Miles,2014-11-18 Heartbroken over the premature death of her young sister Estelle conceives a dark plan to recover Lunette s innocent soul from the thief she witnessed taking it The price is higher than she anticipated reaching far beyond the loss of her own innocence when she enters voluntarily into the realm of the Lord of Shadows into a theater of madness constructed by the souls of the dead This is a short story Contains violence mild gore sexuality and thematic elements

De Quincey's Gothic Masquerade Patrick Bridgwater,2004 De Quincey s Gothic Masquerade is what has long been needed a study of Thomas De Quincey s Gothic and Gothic related texts by a Germanist working on Gothic and specializing in Anglo German literary relations Variouslly identified as Gothic Hero Gothic Parasite and author of a Gothick sport De Quincey is the dark horse of Gothicism for while his work has increasingly been associated with Gothic not one of the recent companions to Gothic so much as mentions his name Definitions of what is meant by Gothic have changed of course and are still evolving claiming more territory all the time but Gothic specialists also have their blind spots of whom De Quincey is one One reason for this state of affairs will be the fact that in his work the Gothic is interwoven with the German to which modern English studies all too often turn a blind eye In this timely study of his work in relation to Gothic convention the author addresses the question of De Quincey s reputed knowledge of German Gothic Romantic literature and the related question of supposed German influences on his Gothic work and shows that his fiction is not less but more original than has been thought The texts examined are those on which for better or worse his reputation as a writer both of autobiography and of fiction depends Focusing on the Gothic takes one to the heart of his literary masquerade and more especially to the heart of his masked autobiographical enterprise Gothic because of its formulaic nature represents a place where he belongs a place where his sense of guilt can be seen as part of a wider pattern thus countering his pariah self image and enabling him to make some sort of sense of the Gothic ruin of his life Addressed to all who are interested in De Quincey s work and its place in literary history and to the many readers in the English and German speaking worlds who share De Quincey s and the author s enthusiasm for Gothic this book adds considerably to the scope of De Quincey studies which it enables to move on from some of the main unanswered questions of the past

[Masquerade - Love, Loss and all the Dross](#) Gloria Bradley,2024-05-13 Masquerade Love Loss and all the Dross a follow up to Gloria Bradley s debut poetry collection Shadowlands Mind Mood and Memory is an expression of love and loss of angst and ecstasy experienced in the daily dramas that colour our emotional lives of hopes and dreams submerged beneath a veil of armour a mask we use to obscure our inner truths fears and insecurities Throughout this anthology hopefully the reader will recognise and connect with the writer s sentiments and observations The rhymes interspersed between the more sombre subjects are meant to amuse as a gentle reminder that we re simply human in a world of fear and chaos but one where love survives dancing in the masquerade

Usagi Yojimbo Volume 14: Demon Mask Stan Sakai,2001-12-18 The close of 16th century Japan was a

violent age as rival feudal lords fought for land and power Miyamoto Usagi braved many a battle only to lose his lord and find himself a masterless samurai or ronin While many ronin became bandits or mercenaries Usagi chose the warrior pilgrimage wandering the land fighting injustice seeking enlightenment Eisner Award winner Stan Sakai has crafted a truly original and delightful work an all ages adventure epic that creates a world of excitement mystery and imagination while building each story on painstaking research of Japan s history culture and mythology Demon Mask is a collection of diverse Usagi stories featuring a graveyard encounter with creatures from Japanese folktales a whodunit clash with a mysterious masked assassin a young adventure lover insistent on receiving Usagi s sword training a peasant village terrorized by a ravaging Spider Woman and more Few works of graphic fiction offer or deliver as much action depth and sheer fun as Stan Sakai s Usagi Yojimbo

Once Upon a Time There was a Little Girl Marcella Hannon Shields Ph. D.,2008-07 Once Upon a Time There Was a Little Girl shares the moving stories of seven women who as young girls experienced the early loss of their mothers through death or physical or emotional abandonment The women explore their personal traumas through their responses to seven fairy tales in which there was no nurturing maternal presence Dr Marcella Shields is a psychologist with over thirty years of experience who reveals the inspiring journeys of these women who eventually triumph over suffering and learn to rely on the bond they have formed with each other to help reclaim their passion for life By exploring seven timeless fairy tales in which the heroine finds her way through the grief of abandonment the women offer a deeper understanding of the significance of the mother daughter bond and the devastating consequences for the daughter if this bond is ruptured early The poignant life stories and dreams courageously offered by these women show how fairy tales allowed them to understand and refashion themselves and provide a source of encouragement and hope for other women who have experienced early maternal loss Fathers raising daughters without a consistent maternal presence will also find the reflections valuable
