

The Great Controversy — Study Guide

(Formally published as Thought Questions and Notes on GREAT CONTROVERSY
BY D. E. Robinson)

References

References at the end of questions refer to page and paragraph in "Great Controversy." Thus "19:2" gives reference to paragraph 2 on page 19. Each paragraph is considered a unit and is assigned to the page on which it begins, though it may run over to the following page. Because of a difference in the paging of two current editions—due to the larger number of illustrations in one edition — two sets of references are given. The second reference, in brackets, is to the 1926 and 1927 special and subscription editions. The reader may identify the edition he is using by noting the date of the last copyright registration, which is found on the back of the title page.

Chapter 22 — Prophecies Fulfilled

1. What passages of Scripture brought encouragement to the disappointed believers, as they continued to search for added light? 391:1-394:1 [447:1-451:2]
2. How did the enemy of souls try to bring reproach upon the movement during the "tarrying time"? 395:1-396:2 [452:1-453:2]
3. What experiences of the past indicate that when the Lord is carrying forward a strong movement, fanatics may be expected to connect themselves with it? 397:1-398:2 [454:1-455:2]
4. What discovery in the Scriptures led many to look to the autumn of 1844 for the ending of the 2300 days? How did the time of their discovery give to its proclamation the name of the "midnight cry"? 398:3, 4, 400:1 [455:2, 3, 457:1]
5. How did a study of the typical spring feasts and their relation to the death and resurrection of Christ point to October 22, 1844? 399:1-4 [456:1-4]
6. How did the "midnight cry" movement compare with the former movement as to extent, spiritual power, and missionary activity? 400:2-403:1 [457:2-459:3]
7. Following this second disappointment, what three classes of followers renounced their connection with the movement? 403:3 [460:2]
8. Review the parallel experiences of the disciples and those who proclaimed the second advent (351:1, 2 [402:1, 2]), and note the points of similarity farther developed in their disappointment. 404:1-405:2 [460:3-462:1]
9. In what passage of Scripture did the doubly disappointed ones now find added encouragement and assurance for the future? 407:1-408:1 [464:1, 2]
