Intergrated Science Paper1 For 2010 Zimsec:

Zimbabwe's Fast Track Land Reform Prosper B. Matondi, 2012-11-08 The Fast Track Land Reform Programme in Zimbabwe has emerged as a highly contested reform process both nationally and internationally The image of it has all too often been that of the widespread displacement and subsequent replacement of various people agricultural related production systems facets and processes The reality however is altogether more complex Providing new and much needed empirical research this in depth book examines how processes such as land acquisition allocation transitional production outcomes social life gender and tenure have influenced and been influenced by the forces driving the programme It also explores the ways in which the land reform programme has created a new agrarian structure based on small to medium scale farmers In attempting to resolve the problematic issues the reforms have raised the author argues that it is this new agrarian formation which provides the greatest scope for improving Zimbabwe s agriculture and development Based on a broader geographical scope than any previous study carried out on the subject this is a landmark work on a subject of considerable controversy

Water Science and Sustainability Bindhy Wasini Pandey, Subhash Anand, 2021-04-10 This book describes the importance of water resources for socio economic and ecological development including geomorphic and ecological environments Hence conservation management and development of water resources have become necessary for the all around development of global populations and the environment It is the outcome of valuable contributions made by eminent scientists and research scholars who have developed alternative strategies solutions and models for sustainable water resources through research monitoring and experiments varying from regional to global scale This book is of immense use to the policymakers environmentalists ecologists academician research scholars and people in general concerned with water resources management

Integrated Water Resources Management, Institutions and Livelihoods under Stress Collin C. Mabiza, 2018-03-09 The majority of people in Limpopo river basin depend on rainfed agriculture Unfortunately the Limpopo is water scarce and parts of the basin such as Zimbabwe s Mzingwane catchment are under stress in terms of agro ecological and socio politicoeconomic conditions Integrated Water Resources Management IWRM has been adopted in the river basin i

Integrated management of the Fall Armyworm on maize Food and Agriculture Organization of the United Nations, 2018-07-02 Fall armyworm *Spodoptera frugiperda* FAW a dangerous transboundary pest native to the Americas has been spreading rapidly to all sub regions of Africa since 2016 causing significant yield losses to crops Farmer education and community action are critical elements in the strategy to best manage FAW populations using an integrated and ecological pest management approach Farmer Field School FFS a holistic farmer education approach used in over 90 countries will be a key component of the response effort This guide seeks to provide guidance on how to conduct FFS on the integrated and sustainable management of the FAW in Africa with emphasis on maize as FAW s preferred host plant It provides information on the biology and ecology of FAW field studies and exercises for use in season long FFS and suggestions on how to build a

training programme for rural advisory services extension on FAW and FFS refresher courses of Master Trainers and Facilitators

Climate Action in Southern Africa Philani Moyo, 2023-10-27 Using climate justice as an analytical tool this volume examines the role of local mitigation and adaptation actions in Southern Africa in furthering climate resilient development Climate Action in Southern Africa examines the intrinsic connection between local climate actions climate resilient development and strides towards a just transition The theoretical grounding in climate justice allows the authors to analyse whether current climate actions in Africa are truly effective for the poor and marginalised whose lives and livelihoods are impacted by a climate crisis largely not of their making The authors also question the extent to which pathways to net zero carbon emissions by 2050 are achievable in Africa and ask whether this can be attained without undermining livelihoods and human development Overall this book argues that for any transition to be a just transition it has to be aligned with the pursuit of sustainable development and climate justice for current and future generations on the African continent Drawing out key factors including politics gender and migration this volume will be of great interest to students and scholars of climate change climate justice and African development

Base of the Pyramid Markets in Africa Judy N. Muthuri, Marlen Gabriele Arnold, Stefan Gold, Ximena Rueda, 2020-07-27 This book focuses on the Base of the Pyramid BOP in Africa and examines the role of the private sector in the fight against poverty The BOP concept which is a market based approach to poverty eradication presents a great avenue for businesses to develop opportunities and new business models that enable and empower those in the BOP population in Africa to raise their socio economic welfare and well being The BOP market and the business interest in the BOP in Africa is rising This book furthers our understanding of the characteristics of BOP markets in Africa and the challenges and opportunities to address poverty and development in a sustainable manner The book covers various themes of BOP markets and their embeddedness in social cultural settings in Africa The different chapters employ a variety of theoretical and methodological approaches to advance research and practice of BOP in Africa The book chapters reflect multiple diversities that characterise sub Saharan Africa based on studies in 13 country contexts and from five industry sectors This book is recommended reading for managers and policy makers as well as students and academics interested in Base of the Pyramid markets
