## Starting off SB page 8

### Lead-in

Before students open their books, ask them to think of one room in their home. Ask: What's the room like? Ask students to write three adjectives, e.g. bright, small, unfidy, and three objects in that room, e.g. bed, desk, plants about their bedrooms. Students then work in pairs and talk for two minutes about their room.

- 1 Look at the photos with the students. Elicit the rooms and items the students can see and pre-check any unknown vocabulary in the photos, e.g. armchair, mirror. Elicit ideas from different pairs after they have discussed the questions in the book.

**Answers:**  
(top left to bottom right) kitchen, sitting room, living room, balcony, bathroom.

## Listening Part 2 SB page 8

- 1 Set a time limit of one minute for each topic. Monitor and help with ideas for prompts.

### Listening Part 2 (multiple-choice)

Read the advice with the students and also remind them that they will always hear the recording twice and should listen carefully the second time to check their answers.

Exam  
advice

- 2 As this is an exam task, set a time limit of 45 seconds for students to look at the questions and identify the key words, and tell them that this is how long they will have in the exam. Elicit that, as well as the information asked for in the questions, the key words which help them to find the answers are agree, fine!, like best, agree, think about, small shop, better if. Encourage students to underline these words.

Tell them not to change their answers until they have listened a second time and then decide who was right. After the second listening, ask students if they changed any of their answers. Elicit the answers and information from the text which helped them to identify the correct answers.

#### Answers

- 1 C 2 B 3 C 4 A 5 B 6 C

### Track 2

**Narrator:** Part 2. For each question, choose the correct answer.

1

**Narrator:** You will hear two friends talking about the kind of flat they would like to live in.

**Man:** Wouldn't it be great to live right at the top of that block of flats, with views across the city?

**Woman:** Nice views are fine but I'm not very keen on lifts. I think I'd rather be on the ground floor. It'd be good to live in a building that's not far from a bus stop, too.

**Man:** Or an underground station.

**Woman:** Right, but the most important thing for me would be to have my own room, so it'd have to be a three-bedroom apartment.

**Man:** I don't mind sharing, so two would be enough for me.
