Lie Next to Me Sandi Lynn,2014 From New York Times USA Today scared alone and in the dark as the mist of rain hit my face There was no time to think and there was no time to stop My shoes were soaked as they sloshed through the puddles of the dimly lit streets My name is Rory Sinclair and the night I was violently attacked was the night that changed my life forever One man a man named Ian Braxton made it his mission to heal me to save me and to show me a world that previously had been only a dream to me Ian Braxton is far from perfect He s a self absorbed demeaning arrogant and womanizing millionaire He makes it so easy to hate him but so very hard to resist him We re from opposite sides of the spectrum He comes from money and I come from poverty When our worlds collide his struggles become mine and mine become his leaving us with one question How much would you give up to be with someone who was meant to be yours
