Life of Pie Chris Gibson, 2013 **Fifty Shades of Nagging 2** Chris Gibson, 2013-07 Following on from the short book *Fifty Shades of Nagging* this is the republished title originally released as *Life of Pie* but renamed to *Fifty Shades of Nagging 2* With over 150 pages still a short book but packed with more funny anecdotes and contra opinion from what one partner will perceive as nagging from the other This sequel takes the reader through a journey of life hence the original title *Life of Pie* whereby the different ages of a woman are discussed From daughters that nag daddy from an early age teenagers little women middle age and to silver surf nagging from mothers and elderly couples To compensate for the non intentional misogynistic view from a man there is plenty of counter argument included throughout the book culminating in a chapter on the clear inadequacies of the male of the species a *Life of Bragging* While the title change is primarily to boost awareness the content is the same as *Life of Pie* which is still available as an eBook download on the original ISBN s *Fifty Shades of Nagging* Chris Gibson, 2012 Whether you re a man or a woman this collection of over fifty anecdotes based on common things that women say to men every day should raise a smile Originally an eBook format it was soon created in paperback format due to demand thus is a short book of 64 pages so don t expect a 300 page novel At least the short book format is ideal for a man s attention span The follow up *Life of Pie Nag Pie* is now available and is by far a more chunky traditional book that takes the reader through the journey of life and the ages of nagging as well as a look at the inadequacies of men in the final chapter a *Life of Bragging* A Woman can ask a question and she is really asking something different men know this and they get frustrated and answer in a way that makes them appear guilty and before they know it they face the Spanish Inquisition with a barrage of questions or comments Men get sucked into the game and complain of Nagging If you have had the pleasure or being served a slice or two of Nag Pie in your life deserved or not then you will relate to this collection of over fifty overused cliches questions or comments
