Life in a Tank Richard Haigh,1918 *Life in a Tank* Richard Haigh,1918 **Life in a Tank (Classic Reprint)** Richard Haigh,2017-12-18 Excerpt from *Life in a Tank* To the uninitiated as were we in those days when we returned to the Somme too late to see the tanks make their first dramatic entrance the name conjures up a picture of an iron monster breathing fire and exhaling bullets and shells hurling itself against the enemy unassailable by man and impervious to the most deadly engines of war sublime indeed in its expression of indomitable power and resolution About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

Life in a Tank Richard Haigh,2015-02-21 corps the training of each individual in an entirely new science for the benefit of the whole would prove a very difficult and painstaking task But the wonderful development however in a few months of a large heterogeneous collection of men into a solid keen self sacrificing unit was but another instance of the way in which war improves the character and temperament of man It was entirely new for men who were formerly in a regiment full of traditions to find themselves in the

Life in a Tank Richard Haigh, M. C.,2015-08-04 The first tank book by a tank commander *Tanks* To the uninitiated the name conjures up a picture of an iron monster breathing fire and exhaling bullets and shells This new branch of the service with no traditions to build upon no history and no laws of tactics has brought out the individual man and made him stand out The tank grew out of the armored motor car and the fighting men inside were cooped up in a space which reminds one of the old torture chambers in which there was no room to sit stand or lie Once inside with the door shut each man has to remain in an atmosphere of petrol and oil unable to see where he is going for only the officer in charge can see when the tank is closed down All the time bullets and shell splinters and bombs are striking the sides and the men inside hear only an unholy din all others are given by signal and none ever knows when some accident such a direct hit or a breakdown will disable his iron home and when he will either be captured or killed as he tries to escape or even worse the petrol may catch fire and he will be roasted alive Such is the description of tank fighting The men who are

engaged in it endure a strain which must even under the best conditions render them unfit for further work after a few years
 Otago Daily Times Issue 17575 17 March 1919 An informal account of how the tanks got into the big show and of what it means to serve in one of them
 The Independent Volume 95 1918 A book about one of the marvels of the present war Captain Haigh is the commander of the tank Britannia which all Providence had the opportunity of watching not long ago as it lumbered across Exchange Place He describes his experiences at the front in this strange fighting machine which goes into action at the time of the fiercest fighting
 Quarterly Bulletin of the Providence Public Library Volumes 16 17 1918 Life in a Tank is described by Richard Haigh M C commander of the tank Britannia He and his companions left the infantry for the tank service because there seemed to be a better sporting chance with a shell than with a bullet and because the new monster had our imagination in thrall
 The Nation Volume 107 1918 A frank manly free from pose book on a still unfamiliar subject filled with details of the mechanism how the tank works how it feels to be riding in it how and where it goes throughout the book the personal element is used with much skill and humor While horrors are omitted the author describes a near by tank on fire in action and the passing of two comrades pathetic tales told with reserve The last chapter on the philosophy of war is a choice and calm bit of writing containing both comfort and uplift for those who are to see nothing of the real thing and to do little more than wait for the end of the strife
 SAE Society of Automotive Engineers Journal Volume 2 Issue 2 Volume 3 Issue 6 1918 Contents I The Meaning of the Tank Corps II First Days of Training III Later Days of Training IV Moving up the Line V Preparations for the Show VI The First Battle VII The Second Battle VIII Rest and Discipline IX A Philosophy of War

Life In A Tank Introduction

In today's digital age, the availability of Life In A Tank books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Life In A Tank books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Life In A Tank books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Life In A Tank versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Life In A Tank books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Life In A Tank books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Life In A Tank books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals.

These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Life In A Tank books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Life In A Tank books and manuals for download and embark on your journey of knowledge?
