Life Orientation Garde 12 2014 Teachers Guide:

Troubling the Teaching and Learning of Gender and Sexuality Diversity in South African Education Dennis A. Francis, 2016-11-18 In this book Francis highlights the tension between inclusion and sexual orientation using this tension as an entry to explore how LGB youth experience schooling Drawing on research with teachers and LGB youth this book troubles the teaching and learning of sexuality diversity and by doing so provides a critical exploration and analysis of how curriculum pedagogy and policy reproduces compulsory heterosexuality in schools The book makes visible the challenges of teaching sexuality diversity in South African schools while highlighting its potential for rethinking conceptions of the social and cultural representations thereof Francis links questions of policy and practice to wider issues of society sexuality social justice and highlights its implications for teaching and learning The author encourages policy makers teachers and scholars of sexualities and education to develop further questions and informed action to challenge heteronormativity and heterosexism

Sexuality, Society & Pedagogy Dennis A. Francis, 2013-01-01 Sexuality Society and Pedagogy problematises some of the prevailing assumptions that frame this area of study In doing so it aims to make visible the challenges of teaching sexuality education in South African schools while demonstrating its potential for reshaping our conceptions of the social and cultural representations thereof Although the book is largely situated in experiences and perspectives within the South African context it is hoped that the questions raised reflections analyses and arguments will contribute to thinking about sexuality education in diverse contexts in particular more developing contexts

Sports Global Influence: A Survey of Society and Culture in the Context of Sport Skye G. Arthur-Banning, Solomon Waliaula, 2020-06-15 This volume was first published by Inter Disciplinary Press in 2015 Evolving sport cultures have had the dual capacity of both illuminating the inner human experience while also connecting this experience to outer socio economic institutional practices The unique chapters of this book capture the processes that define this simultaneous centripetal and centrifugal motion of sport such the opportunity sport can provide for social change in a community out to the bigger debates of global marketing and state legitimacy that accrue from sport Stock discourses on sport such as sport commodification mediatization instrumentalization social and physical capital of sport and the rope of sport in the contours of geo politics and international diplomacy are explored both in their theoretical framing and also in specific scenarios and locations The collection of works span from Qatar to South Africa the United States to England and provides a modern look at sport s interdisciplinary shape in the global context of society and culture
