

A technician wearing a blue short-sleeved shirt, glasses, and a light blue surgical mask is working on a Daikin VRV 3 system. He is holding a multimeter with red and black probes connected to the system. The system is a large, grey metal cabinet with its door open, revealing internal components like a control board and various colored wires (red, blue, yellow). The technician is standing in front of the cabinet, and the background shows other parts of the system and a wall with a grid pattern.
