Life Doesn't Come with a Manual. It Comes with a Mother. Pretty Pickles,2019-03-15 The perfect Mother's Day gift to show her how you really feel If you KNOW you have the best mother in the world let her know It's true that life doesn't come with a manual and if you have a mother she's all you need Celebrate mother's day with this blank lined journal 6x9 makes it easy to carry Great for ideas letters to do lists Over 100 pages of lined paper *Life Doesn't Come with a Manual; it Comes with a Mother* Motivation Journal,2020-01-14 The best gift for yourself or your friend **Life Doesn't Come With A Manual** Chloe Martin,2025-02-25 It's probably happened to you more than once You sit down to think about your life and feel like something doesn't fit That you should be more sure of what you're doing that others seem to have everything clear while you keep doubting stumbling and wondering if you're doing things right We were sold the idea that life has a defined path an instruction manual that everyone follows But if that were true why are there so many people feeling lost The truth is that no one knows exactly what they're doing and that's okay There is no one right path there are no absolute answers there are no magic formulas that guarantee that everything will turn out well What does exist is the possibility of living on your own terms without letting yourself be chained by what others expect of you This book is for those who have ever felt trapped in a life that doesn't seem like theirs for those who have felt that they don't fit into the established molds for those who have doubted whether they are making the right decisions It won't give you a list of steps to follow or tell you how you should live Instead it will make you question yourself reflect and above all remind you that you don't need anyone's approval to build a life that truly makes you happy Here you will find reflections on the fear of making mistakes on the trap of comparing ourselves to others on the value of saying no and redefining our own limits You will learn that between black and white there are thousands of shades of gray that happiness has no deadline and that not everything in life needs a purpose to be valuable You will discover that it is not about finding a perfect path but about having the courage to lose yourself in order to find yourself You don't need a manual to live you need self confidence you need to question the rules that they told you to follow you need to stop waiting for the perfect moment and start living for real Because life is not planned it is felt it is explored it is made wrong it is reinvented And the best of all is that only you can write the story that you really want to live **Life Doesn't Come with a Manual, It Comes with a Mother: Novelty Journal Notebook for Strong Mom (or Mum) with Cool Quote Message (Blank, Lined Better** Laughloud Press,2019-03-27 A cute funny blank lined journal to make your mother laugh on mother's day her birthday or just because you love her and want to see her smile SIZE 6x9 inches approximate a5 size PAGES 100 PAPER JOURNAL PAPER WITH DATE SPACE *The ABC's of Life* Frank Bove,2014-02-06 This book is a collection of Thoughts opinions suggestions and sayings gathered over the years to help guide children young adults along the path of life because life doesn't come with a manual **Life Doesn't Come with a Manual, It Comes with a Mother: Blank Lined Notebook Journal Diary Composition Notepad 120 Pages 6x9 Paperback Mother**
