## **Life After Death In World Religions:**

Life After Death Farnáz Ma'súmián,2002 What happens to us when we die Does a part of us conquer death and live a different existence Will we have an encounter with a creator What is the soul Where are heaven and hell Questions such as these about death and dying have intrigued humanity since the dawn of time Life After Death explores these questions in detail by providing a general overview from the scriptures of seven world religions Hinduism Zoroastrianism Judaism Buddhism Christianity Islam and the Bah Faith

**Life After Death** Charles C Carl,2025-10-23 LIFE AFTER DEATH WHAT THE WORLD S RELIGIONS TEACH ABOUT THE AFTERLIFE Heaven hell reincarnation nirvana From the dawn of human history people have wondered what happens after death Is there another life beyond this one or does everything end at the grave Life After Death What the World s Religions Teach About the Afterlife explores how different faiths and philosophies across the world answer this timeless question This book examines beliefs about the soul judgment and the next world as described in the world s major religions Christianity Islam Judaism Hinduism and Buddhism as well as in ancient traditions from Egypt Greece and indigenous cultures Readers will discover how Christians interpret heaven and hell how Islam describes paradise and the Day of Judgment and how Hindu and Buddhist traditions view rebirth and karma as the forces shaping one s next existence The book also explores unique perspectives such as the Jewish concept of Olam Ha Ba the World to Come the Buddhist goal of nirvana as liberation from the cycle of rebirth and the Hindu vision of moksha where the soul unites with the divine It delves into how different cultures handle death rituals burial customs and mourning practices as reflections of their beliefs about eternity Beyond religious doctrine Life After Death looks at modern philosophical and scientific discussions about consciousness near death experiences and the human longing for meaning beyond mortality It highlights both the similarities and striking contrasts between traditions from eternal paradise to spiritual liberation from reincarnation to complete dissolution offering a balanced view that invites readers to reflect on their own understanding of what lies beyond Written in clear and thoughtful language this book is ideal for students of religion philosophy or anyone curious about how humanity has grappled with the mystery of death and the hope of life beyond it It presents sacred texts and interpretations side by side helping readers see the shared questions and unique insights that shape our view of the afterlife Whether you seek spiritual understanding academic knowledge or simply a broader worldview Life After Death serves as a fascinating guide to the beliefs that have comforted and challenged humankind across the centuries a journey through heaven hell reincarnation and the eternal unknown

**Life After Death in World Religions** Harold G. Coward,1997 This text explores how traditions of Buddhism Chinese religions Christianity Hinduism Islam and Judaism respond to the many questions surrounding life after death

**Death in World Religions** Terje Oestigaard,2004 **Death and Afterlife** Hiroshi Obayashi,1992 Examines the subject of death and immortality in Africa Mesopotamia Egypt Greece Also from the point of view of the Old Testament New Testament Judaism Christianity Islam Hinduism Buddhism and Tibetan

Trantric and Chinese religions      **Beyond the Threshold** Christopher M. Moreman, 2017-09-13 **Beyond the Threshold** introduces readers to afterlife beliefs and experiences in world religions The second edition has been revised and updated throughout including a new chapter on afterlife beliefs and practices in selected African traditions new research on the afterlife and near death experiences the addition of key words and definitions to each chapter and more Christopher M Moreman offers an introduction to afterlife beliefs in ancient cultures which are essential to understanding the roots of many modern ideas about death He examines the folklore and doctrines of major world religions including Judaism Christianity Islam Hinduism Buddhism Chinese religions and several African traditions He also discusses psychic phenomena across traditions such as mediums near death and out of body experiences and past life memories While ultimately the afterlife remains unknowable the second edition of this unique in depth exploration of both beliefs and experiences can help readers reach their own understanding of the afterlife and how to live      Understanding Death Angela Sumegi, 2013-06-21 A comprehensive survey of how religions understand death dying and the afterlife drawing on examples from Christian Jewish Hindu Buddhist and Shamanic perspectives Considers shared and differing views of death across the world s major religions including on the nature of death itself the reasons for it the identity of those who die religious rituals and on how the living should respond to death Places emphasis on the varying concepts of the self or soul Uses a thematic structure to facilitate a broader comparative understanding Written in an accessible style to appeal to an undergraduate audience it fills major gap in current textbook literature      **How Different Religions View Death and Afterlife** Christopher Jay Johnson, Marsha G. McGee, 1986 This book presents an objective thoughtful and practical explanation of the often complicated subjects of death and afterlife Offering a clear concise and comparative overview of the teachings and the death beliefs of 19 different religions this popular book will be of enormous value to all readers who would like to obtain a better understanding of the various ways in which different faiths understand death and what happens afterward Unlike many books on the subject of religious beliefs the discourse here is refreshingly objective and entirely non proselytizing Furthermore each chapter is written by a different expert or scholar who is internationally recognized as an authority on a particular faith This book will be welcomed by theologians healthcare professionals clergy and chaplains of all religious traditions teachers and students of comparative religion and death and dying social workers grief and pastoral counselors and funeral directors      **World Religions and Islam** Hamid Naseem Rafiabadi, 2003 This Book Is A Collection Of Valuable Articles Written By Eminent Scholars Belonging To Various Religioous Denominatins And Researchers And Teachers Of Islamic Studies The Book Is Also Mean To Cater The Requirements Of The Students Of Comparative Religions And Islamology      **Understanding Death** Angela Sumegi, 2024-08-21 What is death How can we respond to death Why must we die Where do we go from here Do we go anywhere **Understanding Death** offers a thorough introduction to the views and practices of various religions regarding death and life after death Drawing on examples from Christian Jewish Hindu Buddhist and Shamanic traditions this student

oriented textbook explores how different conceptions of the self or soul inform the way humans interpret life and assign meaning to the phenomenon of death Incorporating contributions from members of each faith Understanding Death provides readers with a comparative overview of how death is expressed and constructed in religious texts and canonical interpretations Accessible chapters discuss how major religions address the nature of death itself while illustrating how history philosophy and ritual reflect what is important in understanding the meaning of death in that religion Now in its second edition Understanding Death is revised and updated throughout featuring three entirely new chapters on Sikhism Jainism as well as changing attitudes and new technologies related to death and dying in the twenty first century Understanding Death Ideas of Self and the Afterlife in Religions of the World Second Edition is an ideal textbook for undergraduate students and lecturers in Religious Studies programs and an excellent resource for non specialist readers interested in the subject

**Approaching the World's Religions, Volume 1** Robert Boyd,2017-05-04 Philosophically Thinking about World Religions is different from other works in the discipline today It deviates from the typical approaches used for the study of world religions Its goal is to engage readers in thinking hard about world religions not about the data surrounding those traditions By focusing on philosophical questions each reader should be challenged to do their own investigations that may reveal the heart of these traditions Another stance that this project takes that distinguishes it from other texts in the discipline is that it advocates an inclusivist perspective regarding the world religions Pluralism which is the predominate assumption today ends either in contradiction or in the development of a metatheory that dismisses crucial distinctions between the various traditions or eliminates some ancient religions because they do not fit the metatheory By taking an open inclusivist approach all religious traditions may engage at the table of dialogue The final essay is about justice and social affairs While that discussion is couched within the context of a particular tradition each religious tradition must have the discussion But it must be more than an intrareligious dialogue it must become an interreligious dialogue

**'The world's religions' series** George Thomas Bettany,1892

**Life After Death** Stephen Treloar,2023-07 Explores the question of life after death Examines Is there an afterlife What do the world s religions say What happens when you die Is there a Heaven Hell What will I do in Heaven Is communication possible

*Life After Death* Alan Segal,2010-06-23 A magisterial work of social history Life After Death illuminates the many different ways ancient civilizations grappled with the question of what exactly happens to us after we die In a masterful exploration of how Western civilizations have defined the afterlife Alan F Segal weaves together biblical and literary scholarship sociology history and philosophy A renowned scholar Segal examines the maps of the afterlife found in Western religious texts and reveals not only what various cultures believed but how their notions reflected their societies realities and ideals and why those beliefs changed over time He maintains that the afterlife is the mirror in which a society arranges its concept of the self The composition process for Judaism Christianity and Islam begins in grief and ends in the victory of the self over death Arguing that in every religious tradition the afterlife

represents the ultimate reward for the good Segal combines historical and anthropological data with insights gleaned from religious and philosophical writings to explain the following mysteries why the Egyptians insisted on an afterlife in heaven while the body was embalmed in a tomb on earth why the Babylonians viewed the dead as living in underground prisons why the Hebrews remained silent about life after death during the period of the First Temple yet embraced it in the Second Temple period 534 B C E 70 C E and why Christianity placed the afterlife in the center of its belief system He discusses the inner dialogues and arguments within Judaism and Christianity showing the underlying dynamic behind them as well as the ideas that mark the differences between the two religions In a thoughtful examination of the influence of biblical views of heaven and martyrdom on Islamic beliefs he offers a fascinating perspective on the current troubling rise of Islamic fundamentalism In tracing the organic historical relationships between sacred texts and communities of belief and comparing the visions of life after death that have emerged throughout history Segal sheds a bright revealing light on the intimate connections between notions of the afterlife the societies that produced them and the individual s search for the ultimate meaning of life on earth

How Different Religions View Death and Afterlife Christopher Jay Johnson, Marsha G. McGee, 2009-05-01

Is There Hereafter? Beliefs about the Afterlife in World Religions Azhar Ul Haque Sario, 2023-11-07

Is There Hereafter Beliefs about the Afterlife in World Religions is a comprehensive book that explores the diverse beliefs about life after death held by various world religions This enlightening guide takes readers on a journey through different cultural and religious perspectives on what happens to us after we die The book is not just a collection of facts but a deep dive into the profound teachings and traditions that shape how people view the afterlife It covers major religions like Hinduism Buddhism Christianity Islam and Judaism as well as less widely known beliefs from religions such as Sikhism Zoroastrianism the Bah Faith Jainism and more Each religion s perspective on the afterlife is presented in a detailed yet accessible manner making it easy for readers to understand and compare different viewpoints In addition to exploring well known concepts like Heaven and Hell in Christianity or the cycle of rebirth in Hinduism the book also sheds light on lesser known beliefs For instance it delves into the Sikh concept of merging with the Divine the Zoroastrian judgment of souls and the Bah view of the soul s eternal journey Indigenous religions African Traditional Religions Native American spirituality and newer religious movements like Spiritism Rastafarianism and Wicca are also discussed offering a truly global perspective on the topic The book s approach is respectful and informative providing a window into the spiritual and philosophical insights of different cultures and faiths It encourages readers to consider the varied ways in which humans have sought to understand the great mystery of what comes after this life Whether you re a student of religious studies someone curious about life s mysteries or on a personal spiritual quest Is There Hereafter is a valuable resource that offers a rich tapestry of beliefs about the afterlife This journey through the afterlife beliefs of world religions is not just about understanding different perspectives it s about appreciating the depth and diversity of human thought on one of life s most profound questions Is There Hereafter invites

readers to explore compare and reflect on the myriad beliefs that have comforted challenged and intrigued humanity throughout history

**Progress, Apocalypse, and Completion of History and Life after Death of the Human Person in the World Religions** P. Koslowski,2002-06-30 The question of the progress the apocalyptic end and the completion of history and the question of the life after death and the resurrection of the human person differ and are interconnected in the religions at the same time The individual s completion and the completion of the world the historical communities and humankind are conditional on each other The world religions offer more than an interpretation of present history and the present world and existence of the human race They also convey to humankind a theory of world history and of history before and above world history This interpretation of universal history in the religions can be apocalypticism as the theory of the end of the world or apocalypticism and eschatology as the theory of the end completion and transfiguration of world and history The completion of the world is inseparable from the completion of the individual human life in immortality and vice versa Immortality is described in the Abrahamic religions as personal resurrection in Hinduism as entering the divine self the Atman and in Buddhism as being united with the Buddha How do the religions interpret universal history and what statements do they make about life after death Leading scholars of Hinduism Buddhism Judaism Christianity and Islam have created with this volume a first hand source of information which enables the reader to gain a better understanding of these five world religions and their teachings about the end of history and the life after death of the human person

**Death and Immortality in the Religions of the World** Paul Badham,Linda Badham,2023-05-23 Most of the world s religions hold a belief in some form of life after death The editors of this major anthology seek a global perspective on the importance of these beliefs based on religion psychical research and the natural sciences Eleven chapters explore the afterlife teachings of religions around the world In order to emphasize the diversity beliefs even across particular belief systems some contributors write from within the traditions while others offer critical and alternate views The chapters cover afterlife beliefs in African religions Judaism Christianity Islam Hinduism and Buddhism while raising a number of important questions Is a belief in an afterlife necessary to provide meaning to the here and now Can science provide the means of affirming such beliefs A further four contributions address these questions directly and critique the belief systems from the perspectives of philosophy and psychical research The final chapter highlights the importance of research into states of consciousness during near death

and other mystical experiences Taken as a whole the book constitutes the most valuable resource on the subject to date The editors conclude that in some respects a global perspective does emerge particularly that human beings are more than just our bodies but are composed of a physical and nonphysical element The contributors are all prominent international scholars including Kofi Asare Opoku Daniel Cohn Sherbok Thomas McGowan Sulayman S Nyang Salih Tug Mariasusai Dhavamony R Balasubramanian Saeng Chandra Ngarm Bruce R Reichenbach Antony Flew Arthur S Berger David Lorimer and the editors themselves
