for High School Students

- When did you first become yourself?
- Have you ever met someone who reminded you of yourself?
- What milestone makes someone an adult?
- How do you define "success" and "achievement"? What is your greatest success or achievement?
- If you could trade one aspect of your personality for another, what would you get rid of—and what would you want in its place?
- Write about the first time you felt guilt.
- What do you need to be happy?
- What is the most selfless thing you've ever done?
- What do you think falling in love is like?
- Write about a time when someone offered you something that you weren't sure you should accept.
- Are you the kind of person who likes to look back or look ahead? Why?
- Do you believe in regrets? Why or why not?
- If you could visit any one famous place in the world, what would you want to see? Why?
- What is your favorite work of art (visual, written, musical, etc.)? Why does it speak to you?
