Metro Police Intake 2015 Nd 2016:

Psychological Science and the Law Neil Brewer, Neil Douglas Brewer, Amy Bradfield Douglass, 2019-04-04

Psychological research can provide constructive explanations of key problems in the criminal justice system and can help generate solutions This state of the art text dissects the psychological processes associated with fundamental legal questions Is a suspect lying Will an incarcerated individual be dangerous in the future Is an eyewitness accurate How can false memories be implanted How do juries experts forensic examiners and judges make decisions and how can racial and other forms of bias be minimized Chapters offer up to date reviews of relevant theory experimental methods and empirical findings Specific recommendations are made for improving the quality of evidence and preserving the integrity of investigative and legal proceedings

County Lines Robert McLean, Grace Robinson, James A. Densley, 2019-11-15 This brief sheds light on evolving drug markets and the county lines phenomenon in the British context Drawing upon empirical research gathered in the field between 2012 2019 across two sites Scotland s West Coast and Merseyside in England this book adopts a grounded approach to the drug supply model detailing how drugs are purchased sold and distributed at every level of the supply chain at both sites The authors conducted interviews with practitioners offenders ex offenders and those members of the general public most effected by organised crime The research explores how drug markets have continued to evolve accumulating in the phenomenon that is county lines It explores how such behavior has gradually become ever more intertwined with other forms of organised criminal activity Useful for researchers policy makers and law enforcement officials this brief recommends a rethinking of current reactive policing strategies

Inside an African Police Force Jude

Kagoro, 2022-10-18 The book discusses police practices in Uganda which are understood as fluid and reflective of the socio political cognitive and discursive contexts within which the Uganda Police Force UPF exist The author was immersed in the UPF both as an ethnographer and a consultant The book demonstrates how police officers navigate clashes between personal interests and those of the UPF shedding more light on the divergences and convergences between policies in theory and policies in practice It contributes to the literature on police research especially to our understanding of policing and the anthropology of the state in Africa It highlights that the Ugandan police engages in political policing and its role is stretched beyond its legal mandate The target audience is twofold first academics interested in police studies and the undercurrents of interface bureaucracies in Africa Second practitioners focused on improving state and police services in African contexts

The Special Constabulary Karen Bullock, Andrew Millie, 2017-07-06 Special constables are warranted officers retained within British constabularies Wearing similar uniforms carrying the same personal protective equipment and holding identical powers to enforce the criminal law special constables are to all intents and purposes indistinguishable from their colleagues in the regular police service However very little is documented about the experiences and motivations of special constables the roles they play in contemporary policing or the impact that they have on the police organisation This book

draws together academics and practitioners to provide a valuable insight into historical international and contemporary themes pertinent to the historical development and contemporary operation of the special constabulary The book critically considers the origins of the special constabulary and the political social and economic factors which led to its evolution over time It compares and contrasts the organisation functions and status of the special constabulary with other auxiliary forces notably from the United States The book also contributes to theoretical understanding of contemporary policing to debates about the roles and operation of the mixed economy of provision and informs policy and practice in the United Kingdom and beyond

Black resistance to British policing Adam Elliott-Cooper,2021-05-01 As police racism unsettles Britain's tolerant self image Black resistance to British policing details the activism that made movements like Black Lives Matter possible Elliott Cooper analyses racism beyond prejudice and the interpersonal arguing that black resistance confronts a global system of racial classification exploitation and violence Imperial cultures and policies as well as colonial war and policing highlight connections between these histories and contemporary racisms But this is a book about resistance considering black liberation movements in the 20th century while utilising a decade of activist research covering spontaneous rebellion campaigns and protest in the 21st century Drawing connections between histories of resistance and different kinds of black struggle against policing is vital it is argued if we are to challenge the cutting edge of police and prison power which harnesses new and dangerous forms of surveillance violence and criminalisation

Criminal Justice Peter Joyce,2017-07-06 This revised and expanded third edition offers a comprehensive and engaging introduction to the criminal justice system of England and Wales Starting with an overview of the main theories of the causes of crime this book explores and discusses the operation of the main criminal justice agencies including the police probation and prison services and the legal and youth justice systems This book offers a lively and critical discussion of some of the main themes in criminal justice from policy making and crime control to diversity and discrimination to the global dimensions of criminal justice including organized crime and the role of the EU Key updates to this new edition include increased discussion of the measurement prevention and detection of crime a revised chapter on the police which discusses the principle of policing by consent police methods power and governance as well as the abuse of power further discussion of pressing contemporary issues in criminal justice such as privatization multi agency working and community based criminal justice policy a brand new chapter on victims of crime key developments in criminal justice policy and the response of the criminal justice system This accessible text is essential reading for students taking introductory courses in criminology and criminal justice A wide range of useful features includes review questions lists of further reading timelines of key events and a glossary of key terms
