*Bike Lust* Barbara Joans, 2001-08-03 *Bike Lust* roars straight into the world of women bikers and offers us a ride In this adventure story that is also an insider's study of an American subculture Barbara Joans enters as a passenger on the back of a bike but soon learns to ride her own As an anthropologist she untangles the rules rituals and rites of passage of the biker culture As a new member of that culture she struggles to overcome fear physical weakness and a tendency to shoot her mouth off a tendency that very nearly gets her killed *Bike Lust* travels a landscape of contradictions Outlaws still chase freedom on the highway but so do thousands of riders of all classes races and colors Joans introduces us to the women who ride the rear the biker chick the calendar slut straddling the hot engine the back seat Betty at the latest rally or the underage groupie at the local run But she also gives us the first close look at women who ride in their own right on their own bikes as well as a new understanding of changing world of male bikers These are ordinary women's lives made extraordinary adding a dimension of courage to the sport not experienced by males risking life and limb for a glimpse of the very edge of existence This community of riders exists as a primal tribute to humanity's lust for freedom

Customer Relationship Management Francis Buttle, 2009 This title presents an holistic view of CRM arguing that its essence concerns basic business strategy developing and maintaining long term mutually beneficial relationships with strategically significant customers rather than the operational tools which achieve these aims

Radical Marketing Sam Hill, Glenn Rifkin, 2000-02-16 How did the Grateful Dead use its fanatical following to build a 100 million brand that still thrives today How did upstart Boston Beer Company makers of Sam Adams prevail over rival Anheuser Busch without an advertising budget And how did Iams create the premium pet food market and leap from 16 million to 600 million in sales in just fifteen years while charging twice the price of competitor Ralston Purina The answer radical marketing In this fresh provocative book Sam Hill and Glenn Rifkin identify the marketing strategies that have enabled ten innovative companies to emerge as industry leaders What do these organizations have in common Each is in tune emotionally with its customer base allowing them to glean superior marketing insight without spending millions of dollars Each is more focused on the big picture growth and expansion rather than short term profits And despite their current success each started out with little more than a passion for their product Engrossing informative and invaluable *Radical Marketing* demonstrates how any company large or small can achieve unprecedented success through inventive and revolutionary tactics
