

Head Gasket Repair Price

Replacing the gasket

A service focused on just replacing the head gasket might not do the trick. You'll have "just" the replacement expense (roughly \$1400) but no actual inspection on what caused the issue. The risk? The problem might return.

Long-lasting solution

Spending on a long-lasting solution might be hefty at first, but it saves money on the long run. Getting 100% rid of your vehicle problems asks for investment on a combustion and engine system inspection, repair, and more.

Vehicle Health

Have your vehicle's health, upcoming maintenance schedule, and expert recommendations on the palm of your hands by asking for a free Digital Vehicle Inspection (DVI) on certified shops. The DVI is like an "annual physical" for vehicles; it gives ease of mind and control of your vehicle's condition!
