Street style blogging has experienced a meteoric rise in popularity over the last decade Amateur photographers often with no formal training in fashion have become critical arbiters of taste and trends influencing the representations that appear in magazines and on runways and putting new cities on the fashion world map This cutting edge book documents the evolution of street style photography from the fieldwork photos of early anthropology to the glamorized snapshots that appear on blogs today and explores the structural shifts in the global fashion industry that street style has helped bring about

Chronicling author and anthropologist Brent Luvaas experience over three years of blogging through vivid street imagery and rich ethnographic detail this book turns the lens of street style photography back onto anthropology itself arguing that the phenomenon is a powerful mode of amateur ethnography Bloggers blur the distinction between professional and amateur insider and outsider self and brand This book documents that blur from the ground level from the streets of Philadelphia to the sidewalks of New York Fashion Week Street Style is an essential read for students and scholars of fashion anthropology sociology media and cultural studies and fans of street style photography alike

The Mammoth Book of Westerns Jon E. Lewis,2013-07-04 The Western though a singularly American art form is one of the great genres of world literature with a truly global readership It is also durable despite being often unfairly maligned Ever since James Fenimore Cooper transformed frontier yarns into a distinct literary form the Western has followed two paths one populist

what Time magazine famously billed the American Morality Play capable of taking many points of view from red to redneck but always populist with a sentimental attachment to the misfit the other literary eschewing heroism debunking with unsettling candour many of the myths of the West It can sometimes be difficult to draw a sure line between the two forms but both are represented in this outstanding collection which includes stories by Rick Bass Walter Van Tilburg Clark Larry McMurtry Mari Sandoz Christopher Tilghman and Mark Twain among many others **The Federal Reporter** ,1975
