How We Met Michele A'Court,2018-04-01 Stand up comedian Michele A Court rekindles the passion with a brilliant collection of How We Met stories How We Met is based on a collection of How We Met stories those lovely stories couples love to tell and we all love to hear about how they got together The author s theory that these stories of how couples meet the romantic absurd serendipitous convoluted scandalous breath taking moments of connection help to weave their lives together Partly as proof that they were meant to begin this couple journey and also because in each retelling they go back to those first falling in love feelings and rekindle the passion The theory is based on a hunch which itself is based on nothingmore than the author s observations of watching couples as they talk Michele then tests her thesis out on a neuroscientist and a psychologist and by the end of the book has some useful things to say not only about how great love starts but how it stays great
