

AVAYA IP Office 9508 Telephone Quick Guide

Your 9508 Telephone

The IP Office supports the 9508 and 9508S telephones.

The phone supports all programmable call appearance feature options. The status for these are displayed in the main display and can be controlled by the adjacent buttons.

Functions can be assigned to the phone's call appearance feature buttons by your system administrator or by yourself using call administration. However, you cannot modify call appearance features set by your system administrator. There are limitations that the system administrator can set that are not available to you to change.
