Excerpt from Irish History and the Irish Question A long summer was spent by me in that loveliest of all parks the Phoenix Park as the guest of Edward Cardwell then Chief Secretary and real head of the Irish government Under Cardwell's roof the Irish Question was fully discussed by able men Robert Lowe among the number But I had a still greater advantage in constant and lasting intercourse with such friends as Lord Chancellor O'Hagan Sir Alexander Macdonald the head of the Education Department and other leading Irish Liberals of the moderate school ardent patriots and thoroughgoing reformers though opposed to violence and disruption To the teachings of these men in dealing with the Irish Question I have always looked back for my best guidance I did what I could generally to acquaint myself with the country and its people I had the opportunity of seeing something of Maynooth as the guest of its excellent principal in that day At that time there was rather a lull in the agrarian war but religious antagonism was still marked About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works      **Great Britain and the Irish Question 1800-1922** Paul Adelman, Robert D. Nicholas Mansergh, 2022-11-14 Originally published in 1940 but here reissuing the revised third edition of 1975 this book analyses the Irish Question The study is not a narrative history While the problems with which it deals have been suggested by the period it covers it is with the problems and not the period that it is focussed on Those problems are the interrelation of economic and social with political forces the impact of Irish discontent on the Liberal conversion to Home Rule the character of the political cultural and social forces behind revolutionary Irish nationalism and the changing nature of the concept itself Much attention is given to the implications of Anglo-Irish relations in the wider context of nationalist imperial conflicts and critical studies are made of the writings of de Tocqueville Cavour Marx Engels and Lenin among others on the Irish Question

**The Irish Question** Donal Ó Drisceoil, 2009 This special issue of *Radical History Review* focuses on the Irish question the historical role of British imperialism in Ireland and its legacies in the modern Republic of Ireland and in Northern Ireland This collection of essays places Ireland in a comparative context addressing the broader relevance of the Irish experience to questions of empire and colonialism worldwide Examining how the Irish nationalist movement functioned

for more than two centuries within the context of various forms of British imperialism the issue analyzes the evolution of contemporary Ireland's politics of race immigration and armed resistance One contributor addresses the issue of constitutional nationalism in late nineteenth and early twentieth century Ireland while another looks at the recent history of Irish republicanism in relation to the peace process Other essays examine Protestant society and Unionist hegemony in nineteenth century Ulster immigration and racism as the Irish experienced them in postwar Britain and the historiography of race and racialization in Ireland The historical adviser for the award winning film The Wind That Shakes the Barley reflects on its portrayal of the period of the Irish War of Independence and Civil War and a photographic essay focuses on supporters of the modern Irish republican movement in the United States and Ireland Contributors Kevin Bean Pauline Collombier Lakeman Mary Conley John Corbally Steve Garner Diane George Van Gosse Martin Hayes Bill Kissane Conor McGrady Kerby Miller Kevin Noble Donal Drisceoil

**The Irish Revolution** Patrick Mannion, Fearghal McGarry, 2022-05-31 How the Irish Revolution was shaped by international actors and events The Irish War of Independence is often understood as the culmination of centuries of political unrest between Ireland and the English However the conflict also has a vitally important yet vastly understudied international dimension The Irish Revolution A Global History reassesses the conflict as an inherently transnational event examining how circumstances and individuals abroad shaped the course Ireland's struggle for independence Bringing together leading international scholars of modern Ireland its diaspora and the British Empire this volume discusses the Irish revolution in a truly global sense The text situates the conflict in the wider context of the international flourishing of anti colonial movements following World War I Despite the differences between these movements their proponents communicated extensively with each other learning from and engaging with other revolutionaries in anti imperial metropolises such as Paris London and New York The contributors to this volume argue that Irish nationalists at home and abroad were intimately involved in this exchange from mobilizing Ireland's vast diaspora in support of Irish independence to engaging directly with radical causes elsewhere The Irish Revolution is a vital work for all those interested in Irish history providing a new understanding of Ireland's place in the evolving postwar world
