

An alternator replacement focusing on...

Replacing the alternator

A replacement focused on the alternator alone is a low-cost alternative that may lead to recurring problems. Might cost around \$500 or more.

Long-lasting solutions

A replacement focused on investigating your charging system and battery to see if any other part could have caused problems to the alternator. This rules out whatever "sickness" might be happening inside your vehicle, making sure the new alternator lasts properly.

Vehicle Health

Control your vehicle's repair expenses better by searching for shops that provide an "annual physical," but for cars. These shops do "health check-ups" of your vehicle so you know how to be prepared.
