The remaining sections consider theologies and practices of the liturgical year

Christian initiation baptism confirmation admission to communion services of the word daily offices and eucharist eucharist ordination and ministry and pastoral offices

While many of the essays introduce historical background the focus is the interpretation and use of contemporary Prayer Books with attention to the impact of the twentieth century Liturgical Movement

Since the 1980s Anglicans have met through the International Anglican Liturgical Consultation to consider principles for liturgical revision and to share news of developments in their home Provinces and several essays take note of the findings of these consultations
