General Manual Work Jobs In London:

Goans in London Stella Mascarenhas-Keyes, 1979 *Young People in the Workplace* Christina Cregan, 1999 Based on a five stage survey of a large cohort of early school leavers carried out in London over the years 1978-81 examines patterns of continuity and change with respect to gaining work and training promotion opportunities reasons for union membership quit decisions and job mapping behaviour and its outcomes *Why London is Labour* Michael Tichelar, 2021-01-04 This book answers the question why London has been a stronghold for the Labour Party for relatively long periods of the last century and continues to be so to this day to an extent that surprises contemporaries The book draws on evidence from history and political sociology as well as the personal experience of the author in London local government during the 1980s It argues that while changes in the London economy plus the ability of the party to forge cross class alliances can go some way to explain the success of the Labour Party in London a range of other demographic and social factors need to be taken into account especially after the year 2000 These include the size of London's growing black and ethnic minority communities higher concentrations of well educated younger people with socially liberal values the increasing support of the middle classes the impact of austerity after 2008 and the degree of poverty in London compared to non metropolitan areas This book will be of key interest to readers interested in the history of the Labour Party the politics of London Socialist politics history British politics history government political sociology and urban studies *New Technical Books* New York Public Library, 1925 *Gender Inequality in the Labour Market in the UK* Giovanni Razzu, 2014-05-15 This book addresses one of the most topical and pressing areas of inequality experienced by women in the UK inequality in the labour market Despite the changed and changing position of women in society there remain substantial gender differences in the labour market Bringing together the expertise of a range of authors including renowned scholars and senior policy makers it offers a coherent account of gender inequality in the labour market It includes An extensive introduction with the wider context the basic facts on various relevant labour market outcomes international comparisons and the legislative framework Chapters that focus on the key issues offering analysis of the way inequality in the labour market is related to the wider macroeconomic dynamics factors that explain the gender pay gap the transition from education to the labour market the dimensions of occupational segregation and the division of labour within the household The book is essential reading for academics and students with an interest in gender inequality and the labour market as well as for those who would like an objective account of the main factors explaining this inequality ***Economic Change in British Cities*** Victor A. Hausner, 1987 This omnibus volume contains the five individual city studies Sunbelt City The London Employment Problem The City in Transition Economic Development Policies and Crisis in the Industrial Heartland ***Women Assemble*** Miriam Glucksmann, 2022-08-24 Why did working class women become the central labour force on assembly lines in the new consumer goods industries of the inter war period What was the long term significance of this for the pattern of women's

work both in paid employment and in the home Originally published in 1990 *Women Assemble* fills a major gap in the history of women and work and develops a theory of women's class relations and of course gender and class more generally by means of an original case study Taken from a wide variety of sources it uses a multidisciplinary approach and is brought to life by interviews with people who worked in assembly line industries during the inter war period This extremely readable study is important to feminists historians and sociologists as well as to all those concerned with issues of gender class and the labour process

Manual Training Magazine Charles Alpheus Bennett, William Thomas Bawden, 1923 *Studies in Sociology* Various, 2022-07-30 This 9 volume collection originally published between 1969 and 1983 contains a selection of subjects viewed through the perspective of sociology including community the family friendship and kinship leisure women and introductory statistics This set will be a useful resource for those studying sociology as well as of interest for other social science courses

The Clerk, 1921 *The West Indian School Leaver: Starting work* Ken Sillitoe, Howard Meltzer, 1985

Social Stratification James Littlejohn, 2021-10-17 Originally published in 1972 this book aimed to provide the student with a basic understanding of the main theories of social stratification and to acquaint them with current methods of research with the results from modern research with emphasis on British research and with current issues in this field The first two chapters are concerned with theory and are followed by chapters on slavery and the caste system These are intended to illustrate concepts and theory and to offer the student a comparative perspective in which to view stratification in modern society which is dealt with in a final lengthy chapter The book has been written primarily for first year university students but also with sixth formers and students in colleges of further education in mind

Labour Migration in England, 1800-50 Arthur Redford, 1926 **Mechanical World**, 1908 *Labour Gazette* Great Britain Department of Employment, 1928 **The Foundry Trade Journal**, 1925 *Sociology* James Fulcher, John Scott, 2011-03-17 Sociology is relevant to current teaching and courses dealing with sociology as a living subject and incorporating the classic traditions of the discipline This new edition has been updated with a range of new case studies and additional chapters

The Mechanical World, 1908 **The Labour Gazette**, 1927 *Vocational Education Magazine*, 1922
