Creating Stellar Lessons with Digital Tools Kenneth J. Luterbach, 2022-05-12 Creating Stellar Lessons with Digital Tools prepares teachers in training and in service teachers to use technologies for design and development activities with middle and high school students While software open resources handheld devices and other tools hold great potential to enhance learning experiences teachers themselves must model technology use in ways that inspire students to become producers and leaders rather than consumers and followers Featuring concrete applications in social studies English mathematics and science scenarios this book provides pre service and in service teachers with seven paths to creatively integrate and innovate with computational thinking datasets maker spaces visual design media editing and other approaches The Knowledge Gap Natalie Wexler, 2019-08-06 Essential reading for teachers education administrators and policymakers alike STARRED Library Journal The untold story of the root cause of America s education crisis It was only after years within the education reform movement that Natalie Wexler stumbled across a hidden explanation for our country s frustrating lack of progress when it comes to providing every child with a quality education The problem wasn t one of the usual scapegoats lazy teachers shoddy facilities lack of accountability It was something no one was talking about the elementary school curriculum s intense focus on decontextualized reading comprehension skills at the expense of actual knowledge In the tradition of Dale Russakoff s *The Prize* and Dana Goldstein s *The Teacher Wars* Wexler brings together history research and compelling characters to pull back the curtain on this fundamental flaw in our education system one that fellow reformers journalists and policymakers have long overlooked and of which the general public including many parents remains unaware But *The Knowledge Gap* isn t just a story of what schools have gotten so wrong it also follows innovative educators who are in the process of shedding their deeply ingrained habits and describes the rewards that have come along students who are not only excited to learn but are also acquiring the knowledge and vocabulary that will enable them to succeed If we truly want to fix our education system and unlock the potential of our neediest children we have no choice but to pay attention **Normal Instructor and Teachers World**, 1924 *Rule Britannia* Danny Dorling, 2019-01-15 Things fall apart when empires crumble This time we think things will be different They are not This time we are told we will become great again We will not In this new edition of the hugely successful *Rule Britannia* Danny Dorling and Sally Tomlinson argue that the vote to leave the EU was the last gasp of the old empire working its way out of the British psyche Fuelled by a misplaced nostalgia the result was driven by a lack of knowledge of Britain s imperial history by a profound anxiety about Britain s status today and by a deeply unrealistic vision of our future **After Piketty** Heather Boushey, J. Bradford DeLong, Marshall Steinbaum, 2017-05-08 Are Thomas Piketty s analyses of inequality on target Where should researchers go from here in exploring the ideas he pushed to the forefront of global conversation In *After Piketty* a cast of economists and other social scientists tackle these questions in dialogue with Piketty in what is sure to be a much debated book in its own right **The**
